RE: Legal Opinion for GreenGold Ray Energies, Inc. and its Successors

Dear Mr. Jaghai;

I have been retained as special counsel to GreenGold Ray Energies, Inc. (the "Issuer") for the purpose of rendering a legal opinion as to whether the Issuer's shares of common and preferred stock have been duly authorized, validly issued, and whether such shares are free and clear of any liens, fully paid and non-assessable.

During my investigation, I have established that GreenGold Ray Energies is Corporation duly organized in the State of Tennessee on December 17, 2013 and that the Issuer is in good standing. The Issuer's predecessor was originally incorporated in the State of Texas on August 4, 1982 as Waste Recovery, Inc., and changed its name to GreenGold Ray Energies, Inc. on April 15, 2008. The Issuer's Plan of Merger filed on November 12, 2013, was completed and was made effective on April 4, 2014 in the State of Texas and was made effective on April 21, 2014 in the State of Tennessee. The Issuer has affirmed that to its knowledge, there are presently no law suits pending against the Issuer.

Based on the foregoing and subject to the qualifications and limitations stated in this letter, I am of the opinion:

1. That all issued and outstanding shares of both common and preferred stocks have been duly authorized, validly issued, and are free and clean of any liens, fully paid and non-assessable; and

2. That the current total issued and outstanding common shares (CUSIP No. 395257 108) are 16,493,536,422; and

3. That the 6,029,250,000 shares which the Issuer alleged were disputed, and illegally converted by "Jatropha Prime Energies" were in fact shares misappropriated or stolen from the true and legitimate beneficial owner "Au Marcge Minerals AG" and "Fordee CA Trust" the Nominee Name of BCHI Philippines; and

4. That such 6,029,250,000 disputed shares were in fact illegally distributed, and once this was discovered, a stop transfer was completed by the Transfer Agent, which prevented further transfer to "Jatropha Prime Energies" and were subsequently deleted from the Shareholders' List of GreenGold Ray Energies on March 4, 2014; and

5. That the 6,029,250,000 disputed shares were then in fact validly and rightfully cancelled by the Issuer's Board of Directors in accordance with the statutes and Bylaws of the Issuer at the request of the true beneficial owner which prevented the disputed shares from mixing with the clean outstanding shares; and

6. That the 6,029,250,000 disputed shares were reissued to the true beneficial owner on March 4, 2014 and that such shares are validly issued, and are free and clear of any liens, fully paid and non-assessable; and

7. That the total 16,493,536,422 issued and outstanding common shares have no impediment or limitation that would prevent the shareholders from trading their shares of the common stock, provided that the transfer of such shares are registered under a Registration Statement or qualify for an exemption from registration, and satisfy the requirements under the Securities Act of 1933.

For purposes of this opinion, I have been furnished with and have examined originals or copies, certified or otherwise identified to my satisfaction, of all such records of the Company, agreements, and other instruments, certificates of officers and representatives of the Company, certificates of public officials and other documents as I have deemed it necessary to require as a basis for the opinions hereafter expressed.

Pursuant to this engagement, I have examined the following specific documents or made the following inquiries:

1. All documents on file with the States of Tennessee and Texas which show that presently, GreenGold Ray Energies, Inc. is duly registered and was chartered in the State of Tennessee on December 17, 2103 and is in Good Standing until April 1, 2015; and

2. The "Articles of Merger" and the "Certificate of Series of Shares Designation" filed stamped in the State of Tennessee and effective as of April 21, 2014 as the surviving State of Jurisdiction; and

3. The "Articles of Merger" & "Certificate of Series of Shares Designation" filed stamped in the State of Texas and effective as of April 4, 2014; and

4. The Issuer's SEC Form 8-K as filed on March 3, 2014 which provides a detailed history of the Issuer and it's control changes; and

5. Certain other documents and factual matters with respect to the Issuer including such Board of Director's Resolutions, Transfer Agent Instructions, Stop-Orders, Shareholder Reports, and other correspondence from the Issuer and the Transfer Agent documenting the history and current status of the 6,029,250,000 disputed shares referenced above.

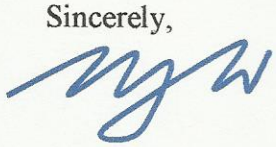

As to questions of fact material to such opinions, I have, where relevant facts were not independently established, relied upon statements by principal officers of the Company. I have made such further legal and actual examination and investigation as I deem necessary for purposes of rendering this opinion. In my examination I have assumed the genuineness of all signatures, the legal capacity of natural persons, the correctness of facts set forth in certificates, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as certified or photostatic copies, and the authenticity of the originals of such copies. I have also assumed that such documents have been duly authorized, properly executed, and delivered by each of the parties thereto other than the Company.

This opinion is based expressly on the facts stated herein, and may not be relied upon in the event that other facts, not presently known to us, come to light. Opinion letters of counsel are not binding upon the Securities and Exchange Commission (SEC) or the Courts, and to the extent that persons relying upon this letter may have knowledge of facts and circumstances that are contrary to those upon which this opinion is based, this opinion would not be applicable. I am admitted to practice law in the State and Federal Courts of Maryland. The opinions expressed above are limited to the Federal Laws of the United States of America and no opinion is provided regarding any federal or state law not specifically referenced herein.

The opinions set forth herein are expressed as of the date hereof and remain valid so long as the documents, instruments, records and certificates we have examined and relied upon as noted above are unchanged and the assumptions we have made, as noted above, are valid. If any facts or documents are determined to be incorrect, misstated, or misrepresented, then the opinion or opinions expressed herein may not continue to be valid. Furthermore, the opinions herein are rendered as of the date hereof, and we disclaim any undertaking to advise you hereafter of developments later occurring or coming to our attention, whether or not the same would (if now existing and known to this office) cause any change or modification herein.

This opinion may be relied upon by the Financial Industry Regulatory Authority ("FINRA"). This opinion may not be relied upon by any other party for any other purpose and may not be reproduced or distributed (except to governmental or regulatory agencies as required by regulation or law) without the prior written permission of named counsel.

Sincerely,

Matheau J. W. Stout

Re: Opinion Letter of Waste Recovery, Inc. and its successors

Attention: Har Deep

Dear Mr. Deep:

In rendering the opinion expressed below, I advise you that I am a member of the Bar of the State of Texas, in good standing and express no opinion herein concerning the applicability or effect of any laws of any other jurisdictions, except the securities laws of the United States of America referred to herein.

This opinion letter has been prepared and is to be construed in accordance with the applicable laws of the State of Texas and as requested per NASDAQ OMX.

During my investigation, I have established that this corporation was involuntarily dissolved on 2-13-04. Prior to this dissolution, records indicate that the officers/directors were Thomas Earnshaw, Robert Thelen, and Mark Hope. The corporation remained in default until Cedric Lewis and Bruce Buskirk reinstated it on 6-20-07, and Jesse Rodriguez filed an SEC From 15 on 8-9-07. In addition to the numerous changes in officers/control, it also appears that the company changed names from Waste Recovery, Inc. To DR Entertainment Investments, Inc. (CUSIP still reflects this name change). A subsequent Certificate of Amendment reflects a name change to GreenGold Ray Energies, Inc (61744900) formerly DR Entertainment Investments, Inc. It is obvious that this corporation is the result of a dormant shell revival. As such, the following items are required before we may proceed with this action:

1. A full corporate history, beginning with the dissolution through the present time. Please be sure to specify which method was used to gain control of this corporation and supply the supporting documentation. Also, please provide resignation documentation for T. Earnshaw, R. Thelen, M. Hope, C. Lewis, B. Buskirk and board authorizations for C. Lewis, J. Rodriguez, B. Buskirk, D. Charnomud and R. Susnar.

Waste Recovery, Inc. was forfeited, or involuntarily dissolved on February 13, 2004, for failure to file franchise tax returns. The Application for Reinstatement, to correct the default paid all fees, taxes and penalties due and owing of the dissolved corporation, was filed with the Secretary of State of the State of Texas under file number 61744900 and a reinstatement of the corporation was obtained under relevant statutes of the Texas Business Practice and Remedies Code. The corporation had been abandoned for the requisite period of time and all other conditions precedent of law of the State of Texas had been met. As part of the reinstatement of the corporation, the officers directors and shareholders of the reinstated corporation, under proper authority, held a special meeting to remove old officers and appoint and empower a new board.

In giving my opinion, I have relied upon the following which I believe are all of the documents necessary to give my opinion:

1. Articles of Incorporation and other filings with the Texas Secretary of State;

2. Corporate disclosures in conjunction with the offers and sales of securities as well as corporate history; and

3. Certain other documents and factual matters with respect to the corporation.

I certify that I have reviewed the corporate records and have made the determination that all control changes were compliant with corporate bylaws and statutes of the State of Texas. Furthermore, there are no law suits presently pending against the corporation.

All required documents were filed with the Texas Secretary of State in a timely manner, and have been recorded, stored and maintained as required by law. The controlling shareholders and/or Board of Directors have consented to the name change of the corporation and the proposed reverse split.

Based on the foregoing, and subject to the qualifications and limitations stated in this letter, I am of the opinion that:

a) All issues of and outstanding shares of Common Stock have been duly authorized and validly issued as well as fully paid and nonassessable.

b) There is no impediment or limitation that would prevent the shareholders from trading their shares of the Common Stock, provided such shares satisfy the requirements under the Securities Act of 1933.

c) This Opinion Letter covers 2,938,895,000 shares of Common Stock issued by the Issuer, and 716,449,000 shares issued and outstanding, and includes the information on the shareholders provided as required by the SEC.

It is our belief that adequate current public information is available concerning the Securities covered by the rules of the Securities Act of 1933, and such information has been posted on the Pink Sheets News Service.

To the best of my knowledge, neither the issuer of the shares, nor any holder or counsel is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities law.

This opinion is rendered as of the date set forth above, and I express no opinion as to circumstances or events that may occur subsequent to such date. I assume no duty to update or supplement this opinion to reflect any facts or circumstances that may hereinafter come to my attention or reflect any changes in any laws that my hereinafter occur or become effective.

If you have any questions please call me at (281) 583-7553.

Sincerely,

Bruce A. Buskirk
