REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors
AU MIN AFRICA PTY LTD, a South African Corporation
Registration No. 2014/113831/07
(Predecessors: GreenGold Ray Energies & Waste Recovery Inc.)

I have reviewed and certified the accompanying 2014 Audited Annual Financial Report ending February 28, 2015 condensed consolidated balance sheet of AU MIN AFRICA PTY LTD, a South African Corporation and its predecessors: GreenGold Ray Energies & Waste Recovery Inc. A Tennessee and Texas Corporations, regarding the related condensed consolidated statements of operations, stockholders' equity (deficit), and cash flows for the year 2014 ended February 28, 2015. These financial statements are the responsibilities of the Corporation's management.

I conducted my reviews in accordance with the generally accepted accounting standards and certified according to the Public Company Accounting Oversight Board (United States) and of South Africa.

These accounting standards I performed the Audit to obtain reasonable assurance about the financial statements and are free from material misstatements. An Audit includes examining on a text basis, evidence supporting the amounts, and disclosures in the financial statements. All Audits include assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statements presented. I believe that my Audit provides reasonable basis for my opinion.

Furthermore, a review of financial information consists of principally applying analytical procedures and making inquiries of persons responsible for the financials and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and of South Africa, the objective of which is the expression of an opinion regarding the financial statement.

In my opinion this 2014 Audited Annual Financial Statement ending February 28, 2015 referred to above present fairly in all material respects, the financial position of AU MIN AFRICA PTY LTD and the results of its operations for the period then ended in conformity with the generally accepted accounting principles and standards.

I am not related either by affinity or by any degree of consanguinity to any of the Board of Directors.
