1. Nature of Operations

Prescient Mining Corp. (the "Company") was incorporated on December 21, 2006, under the laws of the *Business Corporations Act* (British Columbia. The Company's shares are traded on the TSX Venture Exchange (the "Exchange") under the symbol "PMC."

The head office, principal address, and records office of the Company are located at Suite 507 – 700 West Pender Street, Vancouver, BC, Canada, V6C 1G8. The Company's registered office address is located at Suite 700 – 1199 West Hastings Street, Vancouver, British Columbia, Canada, V6E 3T5.

The Company is engaged in the acquisition, exploration, and development of resource properties. The Company's ability to continue as a going concern is dependent upon the ability of the Company to raise additional financing in order to complete the acquisition, exploration, and development of its resource properties, the discovery of economically recoverable reserves, and the attainment of future profitable production or proceeds from disposition of the Company's resource properties. The outcome of these matters cannot be predicted at this time.

These condensed interim financial statements have been prepared in accordance with International Financial Reporting Standards on the basis that the Company is a going concern and will be able to meet its obligations and continue its operations for the next twelve months.

The Company will require additional financing as it acquires mineral properties or interests therein. While the Company has been successful in raising financing in the past, there is no assurance that it will be able to obtain such financing in the future or that such financing will be available on acceptable terms. These interim financial statements do not include any adjustments to the amounts and classification of assets and liabilities that might be necessary should the Company be unable to continue as a going concern.

2. Significant Accounting Policies

The condensed interim financial statements were authorized for issue on February 20, 2014 by the Directors of the Company.

The condensed interim financial statements of the Company have been prepared in accordance with International Accounting Standards 34, Interim Financial Reporting ("IAS 34"), using accounting policies consistent with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") and interpretations of the International Financial Reporting Interpretations Committee ("IFRIC"). The accounting policies and methods of computation applied by the Company in these interim financial statements are the same as those applied in the Company's annual financial statements as at and for the year ended June 30, 2013.

The condensed interim financial statements do not include all of the information required for full annual financial statements and should be read in conjunction with the Company's annual financial statements for the year ended June 30, 2013.

3. Significant Accounting Judgments, Estimates and Assumptions

In the preparation of financial statements in conformity with IFRS, management is required to make judgments, estimates, and assumptions that affect the amounts reported and disclosed in the interim financial statements and related notes. There has been no significant change to the Company's estimation and judgment from those disclosed in note 3 to the audited financial statements for the year ended June 30, 2013.

4. Exploration and Evaluation Asset

Cumulative expenditures incurred by the Company on its property are summarized as follows:

	Hook Lake property Saskatchewan, Canada $
