Item VI: Description of the Issuer's Business, Products and Services.

Description of the Issuer's Business Operations.

We purchase traditional dental labs, and seek to enhance operations through the introduction of digital manufacturing technologies such Cad Cam milling, Digital design software and Inter-Oral Scanners. We integrate each of our client labs to our primary laboratory, thereby creating a real time manufacturing environment. Moreover, our DSO practice seeks to assist dental practitioners in the non-clinical areas of business, including human resources, marketing and administrative staffing. Finally, we purchase Cad-Cam mills and Inter-Oral scanners and resell them to dental practices and other laboratories at a profit.
