Note Regarding Public Information

Argyle Security, Inc. (the "Company") has concluded that, following publication of its 2014 Annual Report, it shall discontinue filing its interim financial statements with the OTC News and Disclosure Service. It has decided that the burden on its resources which are required to prepare and review the statements for publication outweigh the benefits of continuing to publish. The Company will continue to provide monthly and quarterly financial statements to its lenders as required by the covenants in its senior and subordinated debt facility agreements along with any regulatory agency and customer requiring such information. The Company shall endeavor to continue to publish information relating to any material changes in its business or change in any material contracts, in the event of such occurrence, with the OTC News and Disclosure Service. You may obtain information about the Company, including such interim financial statements, by making a request, which must be submitted in writing, to Matthew Kepke, Vice President, General Counsel and Corporate Secretary of Argyle Security, Inc., 12903 Delivery Drive, San Antonio, Texas, 78247.
