(the "**Company**") for use at the Annual General Meeting of the Company's shareholders (the "**Meeting**") to be held on **Thursday November 20, 2014** at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Company. All costs of this solicitation will be borne by the Company.

DATE AND CURRENCY

The date of this Information Circular is **October 16, 2014**. Unless otherwise stated, all amounts herein are in Canadian dollars.

GENERAL PROXY INFORMATION

Management Solicitation

The solicitation of proxies by the management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxies

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of **October 16, 2014** (the "**Record Date**") on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the "Designated Persons") in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Computershare Investor Services Inc. (the "Transfer Agent") at their offices located at 510 Burrard Street, 3rd Floor, Vancouver, British Columbia, V6C 3B9, by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be delivered to the chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing:

(a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and

(b) delivered either:

(i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or

(ii) to the chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or

(iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either:

(a) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or

(b) submission of a subsequent proxy in accordance with the foregoing procedures.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Proxies and Exercise of Discretion

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc., 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9 by delivery, by phone at 1-866-734-8683 (toll free) or online at www.investorvote.com

In all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depositary for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Common Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Common Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Common Shares directly at the Meeting – the voting instruction form must be

returned to Broadridge well in advance of the Meeting in order to have its Common Shares voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Common Shares.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

Notice to Shareholders in the United States

The solicitation of proxies involve securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934, as amended*, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company's last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, executive officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors, the appointment of auditors or the approval of the Company's stock option plan (the "**Stock Option Plan**"), as such persons are eligible to participate in the Stock Option Plan.

(a) was subject to an order that was issued while the proposed director was acting in the capacity of director, chief executive officer or chief financial officer, except as noted below:

During the relevant period Mr. Khan was Chairman and CEO of IPO Capital. In August 2004 Mr. Khan entered into a settlement agreement accepting that he had failed to prohibit one of the representatives from selling Debtor Certificates to IPO clients, when he knew, or ought to have known that the only person doing due diligence was not qualified to conduct proper due diligence with respect to the investment. Mr. Khan was fined $8,000 and paid $2,000 in investigative costs for failing to observe high standards of conduct contrary to Association By-Law 29.1.

As a Director of Ballyliffin Capital Corp., on March 25, 2009 Ballyliffin announced that in accordance with the TSX Venture Exchange ("TSXV") Temporary Relief Measures bulletins previously issued, the TSXV granted Ballyliffin an extension until November 23, 2009 to identify, complete and receive final TSXV approval for a QT. The Company did not meet this deadline. As a QT was not completed, the Company received a delisting notice from the TSXV and half of the Company seed capital shares (1,000,000 common shares), that were subscribed for by the directors, were cancelled on December 30, 2009. The Company's listing was transferred to the NEX board of the TSXV and reinstated for trading on January 6, 2010.

or

For the purposes of the above, "order" means:

(a) a cease trade order;

(b) an order similar to a cease trade order; or

(c) an order that denied the relevant company access to any exemption and securities legislation, that was in effect for a period of more than 30 consecutive days.

(b) a CFO;

(c) each of the Company's three most highly compensated executive officers, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at

(d) any individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company or any of its subsidiaries, nor acting in a similar capacity, at the end of that financial year.

Compensation Discussion and Analysis

The Company's compensation policies are designed to be competitive with similar junior mineral resource exploration companies and to recognize and reward executive performance consistent with the success of the Company. The Company does not benchmark with any other companies. These policies are intended to attract and retain capable and experienced people. The Company does not have a compensation committee at this time and the compensation being paid to the Company's directors and officers is determined by the Board of Directors.

The Company is a junior mineral exploration company and trades on the TSX Venture Exchange ("**TSXV**"). The Company's resources and capital are limited. The Company has no revenue from mineral producing operations and as a result, the Board of Directors has to consider not only the financial situation of the Company at the time of determining executive compensation but also the estimated financial situation of the Company in the mid to long term.

An element of executive compensation that is available to the Company is the granting of stock options to purchase Common Shares under the Company's stock option plan. Stock options are issued to provide an incentive to participate in the long-term development of the Company and to increase Shareholder value. Executive officers and directors are not paid a salary and are reimbursed for expenses incurred in carrying out the business of the Company.

Risk Management Disclosure

The Board of Directors has reviewed the elements of compensation of the Company to identify any risks arising from the Company's compensation policies and practices that could reasonably be expected to have a material adverse effect on the Company as well as the practices used to mitigate any such risks. The Board of Directors concluded that the compensation program and policies of the Company did not encourage its executives to take inappropriate or excessive risks. This assessment was based on a number of considerations, including, without limitation, the following: (i) the Company's compensation policies and practices are generally uniform throughout the organization; (ii) in exercising its discretion under its compensation policies the Board of Directors reviews individual and corporate performance taking into account the long-term interests of the Company; and (iii) the results of annual assessments of executives' goals, objectives and performance are reviewed and considered in awarding compensation.

Restrictions on Purchase of Financial Instruments

Although the Company has not adopted a formal policy forbidding an NEO or director from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director, the Company is not aware of any NEO or director having entered into this type of transaction.

Share based and Option Based Awards

Executive officers of the Company, as well as directors, employees and consultants, are eligible to participate in the Company's Stock Option Plan to receive grants of stock options. Individual stock options are granted by the Board of Directors as a whole and the size of the options is dependent on, among other things, each officer's level of responsibility, authority and importance to the Company and the degree to which such officer's long term contribution to the Company will be crucial to its long-term success.

The Board evaluates the number of options an officer has been granted, the exercise price of the options and the term remaining on those options when considering grants. Options are usually priced at the closing trading price of the Company's shares on the business day immediately preceding the date of grant and the current policy of the Board of Directors is that options usually expire 5 years from the date of grant.

Compensation Governance

The Board has not adopted any specific policies or practices to determine the compensation for the Company's directors and officers, other than disclosed above. The Company has not established a compensation committee.

Summary Compensation Table

During the financial year ended December 31, 2013, the Company had two NEOs. The following table sets forth all direct and indirect compensation for, and in connection with, services provided to the Company and its subsidiary for the last three financial years.

Particulars of compensation paid to each NEO in the most recently completed financial year is set out in the summary compensation table below:

(1) "Non-equity Incentive Plan Compensation" includes all compensation under an incentive plan or portion of an incentive plan that is not an equity incentive plan.

(2) "Share-based Awards" means an award under an equity incentive plan of equity-based instruments that do not have option-like features, including, for greater certainty, common shares, restricted shares, restricted share units, deferred share units, phantom shares, phantom share units, common share equivalent units, and stock.

(3) "Option-based Awards" means an award under an equity incentive plan of options, including, for greater certainty, share options, share appreciation rights, and similar instruments that have option-like features. The grant date fair value of the options granted during 2010 was estimated using the Black-Scholes option-pricing model with the following assumptions: share price of $0.10, risk free interest rate of 1.34%, expected stock price volatility of 111%, expected dividend yield of N/A and expected term of 5 years. The grant date fair value of the options granted in April 2011 was estimated using the Black-Scholes option-pricing model with the following assumptions: share price of $0.155, risk free interest rate of 2.72%, expected stock price volatility of 115%, expected dividend yield of N/A and expected term of 5 years. The grant date fair value of the options granted in November 2011 was estimated using the Black-Scholes option-pricing model with the following assumptions: share price of $0.095, risk free interest rate of 1.43%, expected stock price volatility of 116%, expected dividend yield of N/A and expected term of 5 years. The Black-Scholes method of calculating the fair value of options was used because it is a widely used method of calculating fair value.

(4) Mr. Armes was appointed President, CEO and Director on August 12, 2010.

(5) This consists of consulting fees.

(6) Mr. Wong was appointed Chief Financial Officer, on December 2, 2013.

(7) Mr. Falconer was appointed Chief Financial Officer, Secretary and Director on September 15, 2011.

Narrative Discussion

Jonathan Armes receives consulting fees of $5,000 per month for his role as President and CEO. The Company does not have any contracts or employment agreements in place with any of its directors or officers. NEOs are also eligible to receive stock options under the Company's stock option plan as determined by the Company's Board of Directors.

Incentive Plan Awards

Stock options are issued to provide an incentive to participate in the long-term development of the Company and to increase Shareholder value. The Company's Stock Option Plan is in place for the granting of incentive stock options to the officers, employees and Directors. The purpose of granting options is to assist the Company in compensating, attracting, retaining and motivating the Directors of the Company and to closely align the personal interests of such persons to that of the shareholders.

Outstanding Share-Based Awards and Option-Based Awards

The Company granted a total of 2,045,000 stock options during the most recently completed financial year.

The Company does not have any Share-based Awards in effect and as such, that information has been omitted from the following tables. The following table details all Options-based Awards issued to the NEOs:

Option-Based Awards				
Name	Number of securities underlying unexercised options (#)	Option exercise price ($)	Option expiration date	Value of unexercised in-the-money options[(1)] ($)
Jonathan Armes	250,000	$0.10	8/19/2015	$20,000

(1) Value of In-the-money options is calculated based on the difference between the closing market price of the common shares underlying the options at the end of the most recently

completed financial year and the exercise price of the options. The closing market price of the common shares on the TSX Venture Exchange on December 31, 2013 was $0.18.

Incentive Plan Awards – Value Vested or Earned During the Year

The following table sets forth details of the value vested or earned for all incentive plan awards during the most recently completed financial year by each NEO.

Name	Option-based awards – Value vested during the year ($)	Share-based awards – Value vested during the year ($)	Non-Equity incentive plan compensation – Value earned during the year $
Jonathan Armes	Nil	Nil	Nil
Sam Wong	Nil	Nil	Nil

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of 2014 Stock Option Plan

The policies of the TSX Venture Exchange require the Company to implement an incentive stock option plan every year. Accordingly, the Company proposes to implement a stock option plan (the "**2014 Stock Option Plan**") for insiders, employees, and other service providers to the Company.

The 2014 Stock Option Plan will reserve 10% of the issued and outstanding Common Shares of the Company for incentive stock option grants under the plan to qualifying persons. In addition, the 2014 Stock Option Plan will limit the number of stock options which may be granted to any one individual to not more than 5% of the total issued shares of the Company in any 12 month period. The number of options granted to any one consultant, or a person employed to provide investor relations activities, in any 12 month period must not exceed 2% of the total issued shares of the Company. All existing stock options previously granted will be deemed to be incorporated into the 2014 Stock Option Plan. Any new stock options granted under the plan may be subject to such vesting provisions as determined by the Board of Directors. Shareholders are referred to the 2014 Stock Option Plan, a copy of which is available by contacting the Company.

The 2014 Stock Option Plan must be approved by a majority of the shareholders entitled to vote present in person or by proxy at the Meeting, and be accepted for filing by the TSX Venture Exchange. In the event such shareholder approval is not obtained, the Company will not proceed with the 2014 Stock Option Plan.

Shareholder Approval

In order to exercise stock options granted under the 2014 Stock Option Plan, the 2014 Stock Option Plan must first be accepted by the Exchange. In order to obtain Exchange acceptance, the Exchange requires that "rolling" stock option plans receive shareholder approval at a company's annual general meeting. For these reasons and also to ensure that the 2014 Stock Option Plan is acceptable to the Company's shareholders, the directors of the Company will ask

the shareholders to approve the 2014 Stock Option Plan at the Meeting. Accordingly, the shareholders will be asked to consider and, if thought fit, pass the following resolution.

> "RESOLVED, AS AN ORDINARY RESOLUTION, THAT SUBJECT TO TSXV APPROVAL:
>
> 1. The Company's 2014 Stock Option Plan (the "**2014 Plan**"), approved by the directors on September 4, 2013 is approved and confirmed, including the reserving for issuance under the 2014 Plan at any time of a maximum of 10% of the issued and outstanding common shares of the Company, subject to any amendments that may be required by the TSX Venture Exchange ("**TSXV**").
>
> 2. The Company be authorized to abandon or terminate all or any part of the 2014 Plan if the directors of the Company deems it appropriate and in the best interests of the Company to do so;
>
> 3. The Company be and is hereby authorized to grant options pursuant and subject to the terms and conditions of the 2014 Plan;
>
> 4. The Company be and is hereby, at the discretion of the directors, to amend the exercise price of previously granted option agreements, without further approval by the shareholders, all in accordance with the policies of the TSXV; and
>
> 5. Any one or more of the directors and officers of the Company be authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Company or otherwise, all such documents and other writings, including treasury orders, stock exchange and securities commissions forms, as may be required to give effect to the true intent of this resolution."

It is the intention of the persons named in the enclosed instrument of proxy, if not expressly directed otherwise in such instrument of proxy, to vote such proxies FOR the ordinary resolution to approve the 2014 Stock Option Plan. An ordinary resolution is a resolution passed by the disinterested shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.

Management of the Company recommends that shareholders vote in favour of the above resolution.
