Re: American Leisure Holdings, Inc.

To Whom It May Concern:

I have been retained as corporate counsel for American Leisure Holdings, Inc., a Nevada Corporation (the "Company"), to render a legal opinion to OTC Markets Group, Inc. ("OTC Markets") with respect to the information publicly disclosed by the Company and published in the OTC Disclosure and News Service. OTC Markets is entitled to rely on this letter in determining whether the Company has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933, as amended ("Securities Act"). This letter is being amended to accurately reflect the share ownership listed on Pages 2 and 3 of this Opinion.

I am a United States resident. I am licensed to practice law in the State of Maryland. I have not been prohibited from practicing before the U.S. Securities and Exchange Commission ("SEC"). I have been retained by the Company for the purpose of reviewing and rendering a legal opinion as to the current information supplied by the Company.

As to questions of fact material to such opinions, I have, where relevant facts were not independently established, relied upon certifications by principal officers of the Company, public officials, and other sources. I have made such further legal and actual examination and investigation as I deem necessary for the purposes of rendering this opinion. In my examination I have assumed the genuineness of all signatures, the legal capacity of natural persons, the correctness of facts set forth in certificates, the authenticity of all documents submitted to me as certified of photstatic copies, and the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as certified or photostatic copies, and the authenticity of the originals of such copies. I have also assumed that such documents have been duly authorized, properly executed, and delivered by each of the parties thereto other than the Company. I have no reason to believe that such records, certificates or documents of the Company that I have reviewed are not accurate, authentic or reliable.

I have reviewed the following documents concerning the Company ("Information") posted at http://www.otcmarkets.com/stock/AMLH/filings in connection with the preparation of this Letter:

1. A copy of the Annual Company Information and Disclosure Statement certified by the Company's CEO for the period ending December 31, 2014 and published on February 23, 2015; and published on February 23, 2015; and

2. A copy of the Annual Report containing the Financial Statements for the period ending on December 31, 2014 and published on February 23, 2015.

Based on the examination and inquiry set forth above, I am of the opinion that the Information: (a) constitutes "adequate current public information" concerning the common stock of the Company itself, and "is available within the meaning of Rule 144(c)(2) under the Securities Act; (b) includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation for the Securities under Rule 15c2-11 under the SEcurties Act of 1934, as amended ("Exchange Act"); (c) complies as to form with the OTC Markets' Guidelines for Providing Adequate Current Information, which are located on the Internet at www.otcmarkets.com; and (d) has been posted through the OTC Disclosure and News Service.

The financial statements are not audited and were prepared by Eric Wroblewski, the Company's CEO.

The Company's transfer agent is Signature Stock Transfer, Inc. The Transfer Agent is registered with the Securities & Exchange Commission. I confirmed with the Transfer Agent and Management that the number of authorized and issued/outstanding common shares shown in the Information is listed correctly in the Information and Disclosure Statements for each of the periods referenced above.

I have met with Management and Directors of the Company, have reviewed the Information, as amended, published by the Company through OTC Disclosure News Service, and have discussed the Information with Management and all of the Directors of the Company. To my best knowledge after inquiry of Management and the Directors of the Company, neither the Company, nor its Officers and Directors, nor any holder of 5% or more of the securities of the Company, nor this counsel is currently under investigation by any federal or state regulatory authority for any violation of federal or states securities laws.

Based upon conversations with corporate officers, directors and control persons, none have been involved in any promotional activities. Further, the corporate officers, directors and control persons have not engaged a promoter, finder, consultant or other advisor in connection to any promotional activities or campaigns.
