HERE TO SERVE HOLDING CORP.  
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)  
JUNE 30, 2015

**NOTE 1 – NATURE OF OPERATIONS AND ORGANIZATION**

History of Organization

Here To Serve Holding Corp. f/k/a F3 Technologies, Inc. (the “Company” or “Here To Serve”) was incorporated in the State of Delaware as New Ithaca Corporation on September 22, 1983. In 2006, under the direction of Mr. Frank Connor, the Company operating as F3 Technologies began trading on the OTC Market Exchange under the symbol FTCH. Over the next several years, the Company consulted in the software development industry.

In September of 2013, the Company’s board resolved to make a change in management and Mr. Jeffrey Cosman was appointed CEO and Director of the Company.

Under Mr. Cosman’s direction, the Company began operating as Here To Serve Holding Corp. and repositioned itself into two growth potential industries, waste management and software development. This was done by creating three separate Limited Liability Companies; Here To Serve Missouri Waste Division, LLC (“HTSMWD”), a Missouri Limited Liability Company, Here To Serve Technology Division, LLC (“HTST”), a Georgia Limited Liability Company and Here To Serve Georgia Waste Division, LLC (“HTSGWD”), a Georgia Limited Liability Company.

Through acquisitions and restructuring, HTST repositioned the Company’s presence in the software development industry

In 2014, HTSMWD purchased the assets of a large solid waste disposal company in the St. Louis, MO market. This acquisition was intended to create the platform company for future acquisitions in the solid waste disposal industry. HTSGWD was created to facilitate expansion in this industry throughout the Southeast.

The merger of the Company and Meridian Waste Services, LLC became effective May 15, 2014. The merger was accounted for by the Company using business combination accounting. Under this method, the purchase price paid by the acquirer is allocated to the assets acquired and liabilities assumed as of the acquisition date based on the fair value. By the application of “push-down” accounting, our assets, liabilities and equity were accordingly adjusted to fair value on May 15, 2014. Determining the fair value of certain assets and liabilities assumed is judgmental in nature and often involves the use of significant estimates and assumptions.

For further discussion of this merger, see Note 4 - ACQUISITION below.

*Explanation of Membership Interest Purchase Agreement*

On October 17, 2014, (the “Execution Date”), Meridian Waste Solutions, Inc. (MWSI) entered into that certain Membership Interest Purchase Agreement (the “Purchase Agreement”) by and among Here to Serve Holding Corp., a Delaware corporation, as seller (“Here to Serve”), MWSI, as parent, Brooklyn Cheesecake & Dessert Acquisition Corp., a wholly-owned subsidiary of MWSI, as buyer (the “Acquisition Corp.”), the Chief Executive Officer of

MWSI (the “Company Executive”), the majority shareholder of the MWSI (the “Company Majority Shareholder”) and certain shareholders of Seller (the “Seller Shareholders”), pursuant to which the Acquisition Corp shall acquire from Here to Serve all of Here to Serve’s rights, title and interest in and to (i) 100% of the membership interests of Here to Serve – Missouri Waste Division, LLC d/b/a Meridian Waste, a Missouri limited liability company (“HTS Waste”); (ii) 100% of the membership interests of Here to Serve Technology, LLC, a Georgia limited liability company (“HTS Tech”); and (iii) 100% of the membership interests of Here to Serve – Georgia Waste Division, LLC, a Georgia limited liability company (“HTS Waste Georgia”, and together with HTS Waste and HTS Tech, collectively, the “Membership Interests”). As consideration for the Membership Interests, (i) MWSI shall issue to Here to Serve 9,054,134 shares of the MWSI’s common stock, (the “Common Stock”); (ii) MWSI shall issue to the holder of Class A Preferred Stock of Here to Serve (“Here to Serve’s Class A Preferred Stock”) 51 shares of the MWSI’s to-be-designated Class A Preferred Stock (the “Class A Preferred Stock”), which Class A Preferred Stock shall have the rights and preferences as described in the Purchase Agreement. See Note 6 below; (iii) MWSI shall issue to the holder of Class B Preferred Stock of Here to Serve (Here to Serve’s Class B Preferred Stock”) an aggregate of 71,210 shares of the MWSI’s to-be-designated Class B Preferred Stock (the “Class B Preferred Stock”), (the Common Stock, the Class A Preferred Stock and the Class B Preferred Stock are referred to as the “Purchase Price Shares;”), and (iv) MWSI shall assume certain assumed liabilities (the “Initial Consideration”).

As further consideration, at the closing of the transaction contemplated under the Purchase Agreement, (i) in satisfaction of all accounts payable and shareholder loans, Here to Serve will pay to MWSI Majority Shareholder \$70,000 and (ii) MWSI purchased from the then Company Majority Shareholder 230,000 shares of the MWSI’s common stock for a purchase price of \$230,000. Pursuant to the Purchase Agreement, to the extent Purchase Price Shares are issued to individual shareholders of Here to Serve at or upon closing of the Purchase Agreement: (i) shares of common stock of Here to Serve held by the individuals will be cancelled (ii) 1,000,000 shares of Here to Serve’s Class A Preferred Stock will be cancelled; and (iii) 71,120 shares of Here to Serve’s Class B Preferred Stock will be cancelled (the “Additional Consideration”).

On October 17, 2014, the directors and majority shareholders of MWSI approved the Purchase Agreement and the transactions contemplated under the Purchase Agreement. The directors of Here to Serve and the Here to Serve Shareholders approved the Purchase Agreement and the transactions contemplated thereunder. This closing of the Purchase Agreement results in a change of control of the MWSI and the MWSI changed its business plan to that of HTSMWD.

Current Operations

Currently, the Company remains a holding company controlled by its CEO and Chairman. Since disposing of the three operating LLC’s, Mr. Cosman has reviewed several business opportunities and will be making announcements to the direction of the Company in 2015.

JUNE 30, 2015

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Reclassifications

Certain accounts and financial statement captions in the prior periods have been reclassified to conform to the current period consolidated financial statements.

Cash and Cash Equivalents

Here To Serve Holding Corp considers all highly liquid investments with maturities of three months or less to be cash equivalents.

Deferred Revenue

The Company's previously owned Missouri Waste Division bills one month in advance for the following three months. The balance in deferred revenue at September 30, 2014 represents amounts billed in July, August and September for services that will be provided by the disposed subsidiary during October, November and December.

Fair Value of Financial Instruments

The Company's financial instruments consist of cash and cash equivalents, accounts payable, other liabilities, accrued interest, notes payable, and an amount due to a related party. The carrying amount of these financial instruments approximates fair value due either to length of maturity or interest rates that approximate prevailing market rates unless otherwise disclosed in these consolidated financial statements.

Impairment of long-lived assets

The Company periodically reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be fully recoverable. The Company recognizes an impairment loss when the sum of expected undiscounted future cash flows is less than the carrying amount of the asset. The amount of impairment is measured as the difference between the asset's estimated fair value and its book value. During the year ending September 30, 2014, the Company experienced no losses due to impairment.

Income Taxes

Income taxes are computed using the asset and liability method. Under the asset and liability method, deferred income tax assets and liabilities are determined based on the differences between the financial reporting and tax bases of assets and liabilities and are measured using the currently enacted tax rates and laws. A valuation allowance is provided for the amount of deferred tax assets that based on available evidence, which are not expected to be realized.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)  
JUNE 30, 2015

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date the consolidated financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable

At September 30, 2014 the Company had \$689,716 of trade receivables. Here to Serve – Missouri Waste Division, LLC, primarily owns these trade receivables.

Allowance for Doubtful Accounts

The Company provides an allowance for doubtful accounts equal to the estimated collection losses that will be incurred in collection of receivable related to commercial project invoices. The estimated losses are based on managements' evaluation of outstanding accounts receivable at the end of the accounting period. At March 31, 2015 and September 30, 2014, no such allowance was recorded.

Intangible Assets

Intangible assets consist of assets acquired and costs incurred in connection with the development of the Company's capitalized software. See note below. The Company also has intangible assets related to the purchase of Meridian Waste Services, LLC. See Note 4 below.

Capitalized Software

The company acquired a software product that is under further development. This asset will be amortized over a three to five year period using the straight-line method of depreciation for book purposes beginning when the software is completed.

Revenue Recognition

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)  
JUNE 30, 2015

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Concentration of Credit Risks

The Company maintains its cash and cash equivalents in bank deposit accounts, which could, at times, exceed federally insured limits. The Company has not experienced any losses in such accounts; however, amounts in excess of the federally insured limit may be at risk if the bank experiences financial difficulties.
