Accountants' Compilation Report

ENERLABS, INC.
Board of Directors:

We have compiled the accompanying balance sheets of ENERLABS, INC. as of July 31, 2015 and January 31, 2015, and the related statements of income for the three and six months ended July 31, 2015 and 2014, and the related statements of cash flows for the six months ended July 31, 2015 and 2014. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Company's financial position, results of operations and changes in cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.
