6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

A. a description of the issuer's business operations;

CIGARS MFOV, INC. "Cigar Envi" seeks to be an establishment that offers a few of life's pleasures with unparalleled service and an expert staff. We are an upscale retail and private cigar lounge with a blend of first-class ambience and competitive pricing, within one footprint: the retail store with public seating, the private, luxury cigar lounge and our garden patio.

In the retail area, our walk-in humidor will provide a large selection of cigars to satisfy any aficionado's tastes without being intimidating to the recreational consumer. In addition, Cigar Envi will also provide various tobacco related products, seasonal items on consignment and cutting edge smokeless products to round out our diverse selection. Within that area, there will be public seating and televisions that offer a relaxing atmosphere for watching sports, movies and even select video games.

Cigar Envi will offer a wide variety of specialty and name brand cigars. With the demand for premium tobacco, the market in this area is need of a place where cigars cannot only be purchased, but people can receive important information regarding the various tobaccos (i.e. storage, tastes and various brands). Cigar Envi will be that place, and once a person has had the opportunity to experience Cigar Envi, no other cigar shop will do! We will carry only top of the line brands of cigar accessories such as ashtrays, lighters and cutters to complement our exclusive cigar selection.

Specialty tobacco products and accessories As the world becomes a smaller place due to global industry and the internet, exposure to more cultures becomes a daily experience. One cultural pleasure that has become a phenomenon within the United States is the Hookah. Providing the option to choose Hookah in addition to cigars opens up a tremendous market that cannot be ignored. Cigar Envi will offer a select variety of tobacco for Hookahs as well as the option to rent a hookah for smoking at the shop.

MARKET ANALYSIS SUMMARY
Despite the declining cigarette market, the cigar industry remains relatively strong. This may be because cigars are viewed as an affordable luxury product, or it may be because of strong cultural and social attractions of smoking cigars over cigarettes. No matter the causes, cigar lounges continue to rise in popularity as more cities like Houston pass laws that ban smoking in public places like restaurants and bars. The advantage that a cigar lounge offers the aficionado is a legally designated place to smoke in an environment made exclusively for cigar lovers.
