NOTES TO FINANCIAL STATEMENTS
For the 2nd quarter ended August 31, 2015
(Unaudited)

---

1. BASIS OF PRESENTATION

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America by the Issuer and in the opinion of management, include all adjustments consisting only of normal recurring accruals considered necessary to present fairly the Company's financial position at August 31, 2015 and the results of operations for the 2nd quarter ended August 31, 2015. Moreover, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements.

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. NATURE OF BUSINESS

Inactivity

The company had become inactive during the last 1st quarter of the Financial year 2011.

Activity

The company has resumed financial operations as of the beginning of the first quarter of 2012.

3. AMORTIZATION

Amortization is recorded at rates designed to amortize the cost of capital assets over their estimated useful lives.
Amortization rates used are as follows:

Software	20% declining balance
Computer equipment
