The following letter represents my legal opinion with respect to current information of Woodman Holdings Asset Management, Inc. (the "Issuer"). However, no person or entity, other than OTC Markets Group may rely on this letter.

I have examined such corporate records and other documents including those documents (the "Information") listed in the Publication as well as such questions of law as I considered necessary and/or appropriate for purposes of rendering this letter. Furthermore, I have met with Chief Executive Officer, Chief Visionary Officer and Secretary of Board of Directors of the Issuer on September 25, 2015 to review and discuss the Information as published in the Publication. To the best of my knowledge, the management and the directors of the Issuer, all shareholders, and I are not currently under investigation by any federal or state regulatory authority for any violation of federal or states securities laws. Upon review, the number of shares outstanding are 99,685,437 and were determined by reviewing the Information and Disclosure Statement and in speaking with the Chief Executive Officer, Chief Visionary Officer and Secretary of Board of Directors.
