5.1 Full description of Material Change

On September 23, 2015, the Corporation announced that subject to final TSX Venture Exchange approval it has closed the second and final tranche of the non brokered private placement (the "Offering") previously announced on August 10, 2015.

Pursuant to this second and final tranche, the Corporation issued 900,000 Units at a price of $0.05, for gross proceeds of $45,000. Each Unit consists of one common share and one non-transferable common share purchase warrant, with each full warrant entitling the holder to purchase one common share for a period of three years at an exercise price of $0.10. The proceeds of the second and final tranche will be used for general working capital.

On August 31, 2015, the Corporation announced the closing of the first tranche of the Offering for total gross proceeds of $660,000, through the issuance of 13,200,000 Units. With the completion of the second and final tranche, the Corporation has issued an aggregate of 14,100,000 Units for total gross proceeds of $705,000.

In accordance with applicable securities legislation, securities issued pursuant to the second and final tranche are subject to a hold period of four months plus one day, expiring January 24, 2016.
