I have audited the financial statements of **Redux Holdings, Inc.** for the years ending December 31, 2014 and December 31, 2013, and will issue my report thereon dated November 6, 2015. Professional standards require that I provide you with information about my responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. I have communicated such information in my engagement letter dated April 6, 2015. Professional standards also require that I communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. There are no significant accounting policies used by **Redux Holdings, Inc.** at November 5, 2015. I noted no transactions entered into by the Company during the years 2014 or 2013 for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. The accounting estimates are not particularly sensitive.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

I encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. I encountered no material misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. I am pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

I encountered no other significant audit findings or issues.

Other Matters

This information is intended solely for the use of Alex Leo, CEO, charged with governance and, if appropriate, management of **Redux Holdings, Inc.** and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Allan J. Brachman, CPA
