INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Shareholders'
REDUX HOLDINGS, INC.
Wilmington, Delaware 19809

I have audited the accompanying balance sheet of **REDUX HOLDINGS, INC.** a **NEVEDA CORPORATION** as of **DECEMBER 31, 2014 AND DECEMBER 31, 2013**, and the related statements of income and shareholders' equity, cash flows and the related notes to the financial statements of the Company for the years then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. I was not engaged to perform an audit of its internal control over financial reporting. My audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, I express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of **REDUX HOLDINGS, INC.**, as of **DECEMBER 31, 2014** and **DECEMBER 31, 2013,** and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.
