AUTHOR'S CERTIFICATE

I, Stewart D. Redwood, FIMMM, hereby certify that:

1. I am a Consulting Geologist with address at P.O. Box 0832-1784, World Trade Center, Panama City, Republic of Panama.
2. I am a co-author of the technical report titled "Technical Report, Alabama Graphite Corp., Coosa Project" (the Technical Report) dated November 17, 2015.
3. I graduated from Glasgow University with a First Class Honors Bachelor of Science degree in Geology in 1982, and from Aberdeen University with a Doctorate in Geology in 1986.
4. I am a Fellow of The Institute of Materials, Minerals and Mining, Number 47017.
5. I have more than 30 years' experience as a geologist working in mineral exploration, mine geology, mineral resource and reserve estimations and feasibility studies on projects in North America, Latin America, the Caribbean, Europe, Africa, Asia and Australia.
6. I have read the definition of "Qualified Person" set out in National Instrument 43-101 (NI 43-101) and certify that by reason of my education, affiliation with a professional organization (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a "Qualified Person" for the purposes of NI 43-101.
7. My most recent personal inspection of the Coosa Project was on June 8-10, 2015.
8. I am responsible for sections 3-12, 15 and 19 of the Technical Report.
9. I am independent of the Alabama Graphite Corp. applying all of the tests in Section 1.5 of NI 43-101.
10. My prior involvement with the property was as co-author of the Technical Report amended September 5, 2013 and revised on March 26, 2014.
11. I have read NI 43-101 and the Technical Report has been prepared in compliance with that instrument.
12. As of the date of this certificate, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.
13. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them, including electronic publication in the company files on their websites accessible by the public, of the Technical Report.

Dated November 17, 2015

Stewart D. Redwood
