We consent to being named and to the use in the above-mentioned short form prospectus, of our report dated May 27, 2014 to the Board of Directors of Gran Tierra Energy Inc. on the combined consolidated financial statements of Gran Tierra Energy – Argentina Business, which comprise the combined consolidated carve-out balance sheet as at December 31, 2013, and the combined consolidated carve-out statements of operations, net parental investment and of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information (together "the financial statements").

We have complied with Canadian generally accepted standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the prospectus as these terms are described in the CPA Handbook – Assurance.

Yours very truly,
