| Interest                                                                       | \$ -         | \$ -        |
| Income taxes                                                                   | \$ -         | \$ -        |

**Item 6      Business Information**

- A. Vega was formed to pursue the production and sale of biofuel products throughout the world. With the growing need for clean energy, and the uncertain costs of fossil fuels, power generating plants around the world are looking at more useful and economical methods to run their power systems. The Company currently markets two products; a renewable energy product called Bio-coal and a soil enhancement called Biochar, both made from timber waste.
- B. The Company was organized in 1986 in the State of Delaware. The Company moved to Wyoming in 2010.
- C. The Company has no primary or secondary SIC Codes
- D. The Company's fiscal year end is December 31.
- E. The Company's products are currently manufactured by a third party.

**Item 7      Facilities**

The Company's products are manufactured at a third party's facility located in Richlands, Virginia.

**Item 8      A.      Officers, Directors, and Control Persons**

Officers and Directors

CEO:                Michael K. Molen
