NUTRITIONAL HIGH ANNOUNCES WARRANT EXTENSIONS, OPTION ISSUANCES AND DEBENTURE AGREEMENT AMENDMENT

FOR IMMEDIATE RELEASE

TORONTO, ONTARIO – Nutritional High International Inc. (the "**Company**" or "**Nutritional High**") (CSE: EAT, OTCQB: SPLIF) wishes to announce the extension of the Series I Warrant term, option issuances and amendment to the Senior Convertible Debenture Agreement.

Warrant Extensions

The Company has amended the exercise period of its share purchase warrants issued on June 27, 2014 from eighteen months to twenty one months. 5,563,348 Series I Warrants with expiry date of December 27, 2015 will now expire on March 27, 2016. The Warrants exercise price of \$0.05 per Common Share remains unchanged.

Option Issuances

The Company's board has approved for the issuance 150,000 stock options ("**Stock Options**") to Gary Margolin, the COO of the Company and 350,000 Stock Options to Billy Morrison, the Company's director and Extraction Manager. Each Stock Option is exercisable into Common Shares at a price of \$0.075 per Common Share for a period of five years from the date of issuance, vesting quarterly over a three year period.

Amendment to Senior Convertible Debenture Agreement

The Company has entered into an amending agreement with the holder of Senior Convertible Debenture ("**Holder**") to provide for the prepayment. The Company has agreed to issue 3,750,000 Common Share purchase warrants ("**Warrants**") to the holder of the Secured Convertible Debenture immediately, and pay a fee in the amount of \$27,000 if the Company elects to proceed with pre-payment. Each Warrant entitles the Holder to purchase one Common Share at an exercise price of \$0.06 per Common Share for a period of two years from the date of the Warrant. As of the date hereof, the principal amount of the Senior Convertible Debenture outstanding is \$100,000.

An early pre-payment of the Senior Convertible Debenture provides the Company with potential non-dilutive sources of funds by seeking additional debt financings against the Company's real estate assets. The Company is in discussions with several parties regarding potential secured debt financings and expects to provide an update in this regard in early 2016.

About Nutritional High International Inc.

Nutritional High is focused on developing, acquiring and designing products and brands in the hemp and marijuana-infused edible products and oil extracts sectors for medical and adult

recreational use. The Company works exclusively in jurisdictions where such activity is permitted and regulated by state law, through entities that hold a valid license to produce marijuana-infused edible products and to distribute, and dispense marijuana products. Nutritional High's expansion strategy consists of acquiring licenses and operating businesses for the processing, development, manufacturing and sale of marijuana-infused edible products and oil extractions for medical and adult recreational use.
