RE: Predictive Technology Group, Inc.

This letter is written on behalf of my client, Predictive Technology Group, Inc., a Nevada corporation¹ ("Company" or "Issuer") for the purpose of providing a legal opinion letter ("Opinion Letter") regarding the Company's Amended Annual Report for 2015 which includes the Financial Report and OTC Pink Basic Disclosure for the period ending August 31, 2015, submitted to OTC Markets Group on December 15, 2015. OTC Markets Group is entitled to rely on this letter in determining if the Company has made adequate public disclosure of current information within the meaning of Rule 144(c)(2) under the Securities Act of 1933, as amended, hereinafter referred to as the "Securities Act". I am a resident of the United States and have been retained by the Company as outside general counsel. One part of my duties is to ensure that regular disclosure is made to the public pursuant to the Securities Act and related rules and regulations.

I have examined such current corporate records and other documents and questions of law, as I consider necessary for the issuance of this letter. I have relied on information obtained from public officials, officers of the issuer and other sources. I represent that all such sources are believed by me to be reliable. I am authorized to practice law in the State of California, United States District Court Southern District of California, United States District Court Western District of Michigan, and am in good standing. I am permitted to practice before the Securities and Exchange Commission and have not been prohibited from practice thereunder.

It is my understanding that the financials were prepared in accordance with GAAP standards by CS&S Enterprises, Inc., ("CS&S") a business consulting firm, and Richard Kaiser ("Kaiser"). Kaiser holds a Bachelor of Arts degree in economics from Oakland University in Michigan, was employed by a certified public accounting firm for five years, and has thirty years experience in business and accounting. The financial statements were not audited.

I have relied on and reviewed the following reports available on the website located at <http://www.otcmarkets.com/stock/PRED/filings>:
