Efftec International, Inc. (OTC: EFFI) is pleased to announce that in their first week as a publicly traded company they have shipped and have received payment on $21K of high volume, consumable 1000W HPS grow lamps. EFFI has also received orders for another $10K in private label lamps and is rapidly expanding its private label product portfolio to aggressively court private label customers. EFFI's initial focus will be on Private Label High Consumption items, like grow lamps, as well as sales of our fully developed self-branded product lines. These product lines in addition to grow room lighting, include Budz grow room safety sunglasses, Red Light Bakers edible baking mixes, and purpose built self-contained grow rooms.
Leveraging Mr. Tucker's vast network of suppliers and contacts in the hydroponic and indoor plant grow lighting industry, EFFI expects exponential growth of these product lines as we move in to the New Year.

Best Wishes to You and Yours this Holiday Season from EFFI's Management Team, Happy Holidays!
