Item 3 Financial Statements.

The Financial Statements are attached and are incorporated herein by reference. The company has attached a balance sheet, income statement, and cash flow

Item 4 Management's discussion and analysis or plan of operation.

A. Plan of Operation

Spotlight Capital Holdings, Inc. is be comprised of three separate divisions; films, music and concerts. The three divisions provide synergy, with specific emphasis on profitability and vertical integration.

Spotlight Capital Holdings, Inc ("Spotlight Films")

Spotlight Films is engaged in the production of low-budget, high quality, genre pictures with recognizable name talent. The Company's Management Team and Board of Directors are comprised of industry professionals, whose experience spans decades in the industry. Our strategy is to work with highly skilled producers and directors who have a new approach to risk assessment and management, fulfilled by designing a production pipeline that maintains quality while taking advantage of new technologies, production efficiencies and value-added enhancements such as new marketing strategies.

We utilize our relationships, experience and in depth knowledge of the industry to produce a product with a certain high standard aesthetics and content. Spotlight Films provides only a quality product produced by veterans, directed by experienced and successful directors, featuring well-known as well as up-and-coming premier talent actors.

At Spotlight Films, we put a sound and solid strategy in place before we start any project. Our team of experienced professionals contributes from start-to-finish with all their abilities to shape the framework for project's execution and success.

The Company is currently negotiating contracts for production and distribution of projects that will be released in 2016.

Spotlight Music Division

The Spotlight Music Division ("Spotlight Music") offers music and videos by some of the industry's most sought after artists and accomplished talents. In 2016 we plan to provide exclusive, never seen or heard music and videos. These products will be priced below many of our competitors at just 69¢, 99¢, or \$1.29 each. Visitors to the website can download the Spotlight Music application and browse around and preview a song before you buy it. Spotlight Music will also offer a community for recommendations from other viewers based on music everyone loves to listen to.

The website is being developed to become a center for social interaction revolving around music. Once the movie division releases its first project, the Company will create and release the website in 2016. The Company has invested in the software necessary for the implementation of the website. A visitor will be able to discover new music by going social with our Spotlight Music Blog. They can follow your favorite artists and friends, find out what they're listening to, and join the conversation with the world's most passionate music fans. Further, we plan to have webinars that will allow fans to interact with some of our featured artists online. The company intends to use this site to compete with twitter and other social media sites.

The Company is in position to benefit from the synergistic relationship of its divisions. Our associate division, Spotlight Films, will be working with independent film director /producers in the industry. As part of what we do, our team is developing sound tracks for movies that the company will be producing and distributing.

B. Management's Discussion and Analysis of Financial Condition and Results of Operations.

The Company has made investments in setting up the foundation for its new business plan. The Company plans for its investments to begin seeing revenues in 2016.

C. Off-Balance Sheet Arrangements

There are no off-balance sheet arrangements.

Item 5 Legal proceedings. None.

Item 6 Defaults upon senior securities. None.

Item 7 Other information. Currently the company is undergoing a re-structuring process. The financials show minimal activity because the new management resolved several issues that the company had in the past that prevented the company from operating as planned. The company is making plans to start its new operations, by applying for a Regulation A plus offering. Once sufficient capital is raised for operations, the company will execute its business plan and investors will be able to profit from the company's operations.

Item 8 Exhibits. None.

Item 9 Certifications.
