RE: Abridgement of time periods prescribed by National Instrument 54-101

Dear Sirs/Mesdames:

As required under Section 2.20 of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (*Regulation 54-101 respecting Communication with Beneficial Owners of Securities of a Reporting Issuer* in Québec) ("**NI 54-101**"), the undersigned certifies, in relation to the special meeting of shareholders of DiagnoCure Inc. ("**DiagnoCure**") to be held on February 12, 2016 (the "**Meeting**"), that:

(a) DiagnoCure has arranged to have the proxy-related materials for the Meeting sent in compliance with NI 54-101 to all beneficial owners at least 21 days before the date fixed for the Meeting; and

(b) DiagnoCure has arranged to have carried out all of the requirements of NI 54-101 in addition to those described in the above subparagraph (a).

DiagnoCure is thus relying on Section 2.20 of NI 54-101 to abridge the time period prescribed in subsection 2.2(1) of NI 54-101.

DIAGNOCURE INC.
