• To maximize revenues and profitability for its investors, shareholders and partners;

Our products are intended to have exceptional quality, fit, function and style for the discriminatory customer and will be manufactured in the United States.

On June 25, 2014, the Company was proud to announce the progression of its flagship brand, **a.n.d.**. The Company is now in the process of developing a can version of their growing brand. Until now, **a.n.d.** has only been available for retail in a sleek 20oz PET bottle with a beautifully designed full body shrink sleeve label. This package has been well accepted. The Company is now developing a 16oz can package. This new package will be designed with bright graphics on a white background and will emphasize the **antioxidant** value of the beverages. The contents will be lightly carbonated to make the flavors even more refreshing.

This exciting package will accomplish multiple goals for **a.n.d.**. It will allow us to produce the product at a much more cost effective manner while creating a totally new category in which we will be the innovators. The new package will also command a premium retail price adding to the Company's profitability

The Company intends to debut the new package at the NACS Show in October, 2014.
