Re: Attorney Letter for WGE Holdings Corp. ("WGEE")

Ladies and Gentlemen:

This office has been retained as special securities counsel to WGE Holdings Corp., formerly Digilava, Inc., a Nevada corporation (the "Company"). The Company requested that I review the Company's amended Information & Disclosure Report and Annual Financial Statement for period ending December 31, 2015 posted through OTC Disclosure and News Service (the "Service") on March 3, 2016, as well as other documents submitted in connection therewith and discussed below. The OTC Markets Group, Inc. is entitled to rely on this letter in determining whether the Company has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933. OTC Markets Group, Inc. has full and complete permission and rights to publish this letter with the Service for viewing by the general public and regulators, but no person other than OTC Markets Group, Inc. may rely upon this Opinion in determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 144(c)(2) of the Securities Act of 1933.

This Attorney Letter relates to the laws of the United States, including the Securities Act of 1933 and the corporate laws of the state of Nevada. The undersigned is a resident of the United States, and a member in good standing of the bar of the State of New York since 1995. The undersigned is permitted to practice before the Securities and Exchange Commission (the "SEC") and has not been prohibited from practice thereunder.

To render this opinion I have examined such corporate records and other documents and such questions of law as I deemed necessary. In examining the documents, I have assumed the genuineness of signatures (both manual and conformed), the authenticity of documents submitted as originals, the conformity with originals of all documents furnished as copies, and the correctness of the facts set forth in such documents. During the course of my investigation, nothing came to my attention that led me to conclude that any such documents were not genuine or authentic or that the facts set forth therein were not true. This opinion is expressed solely on the facts and assumptions as set forth herein and is specifically limited to the investigations and examinations I deemed necessary. After such investigations I know of no facts which lead me to conclude that any opinion set forth below is not correct. With respect to matters of a factual

nature, I have relied on information obtained from directors and officers of the Company as well as other sources, and these sources are believed to be reliable.

The following list represents those documents that have been made publicly available, including the date this information was posted with the Service, and further represents those documents I reviewed in connection with the preparation of this letter of opinion (the "Information"):

1. Initial Company Information & Disclosure Statement for period ending September 30, 2015, posted July 24, 2015;
2. Quarterly Financial Report (unaudited) for period ending June 30, 2015, posted September 18, 2015;
3. Annual Financial Reports (unaudited) for periods ending December 31, 2014 and December 31, 2013, posted September 25, 2015;
4. Annual Financial Report (unaudited) for period ending December 31,2015, posted February 10, 2016;
5. Company Information and Disclosure Statement for period ending December 31, 2015, posted February 24, 2016;
6. Company Bylaws, posted February 24, 2016;
7. Updated Annual Financial Report (unaudited) for period ending December 31, 2015, posted February 24, 2016;
8. Updated Company Information and Disclosure Statement and Annual Financial Report for period ending December 31, 2015, posted March 3, 2016.

I have no reason to believe that at the time such information listed above was published to the Service, that any of the information contained an untrue statement of material fact or omitted to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

I have personally reviewed the Information as contained in the updated Company Information and Disclosure Statement and Annual Financial Statement for period ending December 31, 2015, recently posted on March 3, 2016, as well as the versions posted February 24, 2016 and February 10, 2016, as well as the Bylaws, and other reports posted that are referenced above. I have also personally met with and discussed this information with Director and Chief Executive Officer Mr. Christopher J. McKenna, and deemed him to be reliable source of information as it relates to the information discussed and disclosed. The Company was previously in Receivership with the Nevada Eighth Judicial District Court (case number A-14-703067-C). In accordance with the Receivership, the Company entered into a Share Purchase Agreement with WGE Enterprises, Ltd. ("WGE") on April 15, 2015, whereby, the Company acquired 100% of the membership interests in WGE in exchange for fourteen million eight hundred thousand (14,800,000) free-trading shares of DGLV common stock. WGE is the Company's wholly owned subsidiary and is engaged in the creation, design, construction, and ultimate operation of an amusement park in Ripley County Indiana.

The Company's unaudited financial statements were prepared by the Company's sole Director and Chief Executive Officer, Mr. Christopher J. McKenna. Mr. McKenna attended the Great Lakes Naval Gunnery School and Electronic Engineering training when he joined the Navy in 1990. Mr. McKenna was deployed to the Middle East, served with distinction and honor receiving numerous awards and accommodations. Mr. McKenna was wounded in 1992

and discharged later that year. After 2 years of physical therapy he went on to study Chemistry at Purdue University and later received a Presidential Recognition for wok in the Fire Arms industry. For the past 25 years, Mr. McKenna has been building various businesses and charitable organizations in the entertainment and manufacturing industries, and has similarly 25 years of accounting experience in the private sector.

The Company's transfer agent is Pacific Stock Transfer, an SEC registered transfer agent. The method used to obtain the number of outstanding shares of common stock as of December 31, 2015 of 15,301,413 was via a written request to the transfer agent and their subsequent response denoting the date of such records.

After such limited examination, and other such investigation that I deemed necessary, I am of the opinion that:

Adequate current public information is now available concerning the Company within the meaning of Rule 144(c)(2) under the Securities Act, and the information includes all of the information that a broker-dealer would be required to obtain from the company to publish a quotation for the Securities pursuant to Rule 15c2-11 under the Securities Exchange Act of 1934, as amended. Further, this information as posted through the OTC Disclosure and News Service, complies as to form with the OTC Markets Group, Inc. Guidelines for Providing Adequate Current Information.

To the best of my knowledge neither the Company, any 5% holder of the Company's common stock, nor counsel is currently under investigation by any federal or state regulatory authority for an violation of federal or state securities laws.

No person other than OTC Markets Group, Inc. is entitled to rely on this opinion, and I assume no obligation to update or supplement this opinion letter to reflect any change in fact or law which may hereafter occur.

Sincerely,

Lorin A. Rosen
