CORPORATE PROFILE

AVATAR was incorporated in the State of Nevada as a for-profit Company on August 14, 2006 and established a fiscal year end of July 31. The Company was then organized to enter the aftermarket electronic accessories for motor vehicles. Currently the Company is looking to engage in the t- shirt, garment, apparel and entertainment industries.

Business Overview

On Sept 1, 2015 the Company entered an agreement with AutoArt Color Solutions of Oakville Ontario. Under the terms of the agreement, Company has the right to use AutoArts print shirt products and processes for a period of xx years. The agreement also grants the Company the right to resell and distribute the products initially in the country of Jamaica. The agreement contains no provision for the Company to issue any of its common shares to AutoArt Color Solutions. The Company is required to make a payment to AutoArt color Solutions of $10,000 within six months of the signing of the agreement. On February 29th, 2016 AVATAR filed an amendment with the agreement with AutoArts, stating an extension until July 31st , 20016, an added distribution agreement to all of the Caribbean and a change in AutoArts brand to Tpopps from DuraKolor.

Outlook

AVATAR'S corporate strategy is to become a revenue producing company, resulting in generated revenues and thus increasing cash flow and cash flow per share and thus becoming profitable.
AVATAR'S unique products, existing products with a twist and conventional tshirt printing will have a target base to virtually all demographics..

In order to sustain growth and insure future profitability as a company, AVATAR will require funding to expand on these potential successes. AVATAR is also solely reliant on its transfer paper and complimentary product supplier. The printed garment industry is a massive market that always has room for unique and creative design options and tapping even a small portion of its multi billion dollar market could prove lucrative.
AVATAR will initially set up in Jamaica for a number of reasons, the ample workforce, the warm climate which provides for a lighter clothing year round and that the government is encouraging foreign investment.

RISKS AND UNCERTAINTIES

The business of garments, apparel and music is contingent on creativity, advertising and promotion. Information on these and other risk factors that could affect operations or financial results are included in more detail under the heading "RISK FACTORS"

COMMITMENTS

In the normal course of business, AVATAR may enter into contractual obligations including the following:

- purchase of services;
- royalty agreements;
- operating agreements;
- licensing agreements;
- lease agreements for office space, production space, office equipment and production equipment

RISK FACTORS

The garment and music industry are considerably stable environments in of themselves. Risk factors affecting Avatar will be on its ability to be creative and unique in respect to competition. The success of failure in respect to the company's ability to attract funding and or strategic alliances will be key factors.

Operational Risk

The Corporations operational risks rely mainly on AVATAR management's ability to attract and raise necessary capital to facilitate expansion and growth. AVATAR does not foresee any risk arising from doing operations in the Country of Jamaica. Likewise, Jamaica has a large workforce available. AVATAR will decide in the future if Jamaica is a suitable country for operations in respect to surrounding and other countries logistically.

Environmental Risk

None
