(containing information as at September 28, 2015 unless indicated otherwise)

For the Annual General Meeting
to be held on Thursday, November 26, 2015

SOLICITATION OF PROXIES

This information circular is furnished in connection with the solicitation of proxies by the management of **ROYCE RESOURCES CORP.** (the "**Corporation**") for use at the annual general meeting (the "**Meeting**"), of the shareholders (the "**Shareholders**") of the Corporation, to be held on **Thursday, November 26, 2015** at the time and place and for the purposes set forth in the accompanying notice of meeting and at any adjournment thereof. The enclosed instrument of proxy is solicited by the management of the Corporation. The solicitation will be primarily by mail, however, proxies may be solicited personally or by telephone by the regular officers and employees of the Corporation. The cost of solicitation will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Corporation. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM ON HIS BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER INSTRUMENT OF PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS DEPOSITED WITH THE CORPORATION'S REGISTRAR AND TRANSFER AGENT, COMPUTERSHARE INVESTOR SERVICES INC., 100 UNIVERSITY AVENUE, 9TH FLOOR, TORONTO, ONTARIO, M5J 2Y1, OR BY TOLL FREE FAX 1.866.249.7775 NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT THEREOF.**

The instrument of proxy must be signed and dated by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited with the Corporation's registrar and transfer agent, **Computershare Investor Services Inc., 100 University Avenue, 9th floor, Toronto, Ontario, M5J 2Y1**, at any time up to and including the last business day preceding the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed instrument of proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The instrument of proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this information circular, the management of the Corporation is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority greater than one-half of the votes cast will be required unless the motion requires a special resolution, in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested shareholder approval, common shares held by Shareholders of the Corporation who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

General

The authorized capital of the Corporation consists of an unlimited number of common shares and an unlimited number of preferred shares, both without nominal or par value. As of the close of business on September 28, 2015, 10,029,063 common shares were issued and outstanding, each share carrying the right to one vote. No preferred shares have been issued. On November 5, 2013, the Corporation’s shares were consolidated on the basis of 10 pre-consolidation common shares for 1 post-consolidation common share (the "**Consolidation**"). All common share, share option, share purchase warrant, and per share amounts in this Information Circular have been retrospectively restated to present post-consolidation amounts.

Only Shareholders of record as at the close of business on September 28, 2015 (the "**Record Date**") who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described under the heading "*Appointment and Revocation of Proxies*" shall be entitled to vote, or have their common shares voted, at the Meeting, or any adjournment thereof. On any poll, each Shareholder of record holding common shares of the Corporation on the Record Date is entitled to one vote for each common share registered in his or her name on the list of Shareholders as at the Record Date.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this information circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder's name on the records of the Corporation. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form ("**VIF**") provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial

Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such common shares are voted.**

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

The Corporation has provided this Information Circular and Notice of Meeting to intermediaries for distribution to non-objecting beneficial owners (usually referred to as NOBOs for Non-Objecting Beneficial Owners). The Corporation will not pay for an intermediary to deliver proxy related materials and voting instruction forms to objecting beneficial owners (called OBOs for Objecting Beneficial Owners). OBOs have objected to their intermediary disclosing ownership information about themselves to the Corporation. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The Corporation is not relying on the "notice-and-access" delivery procedures outlined in National Instrument 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

Principal Holders of Voting Shares

To the knowledge of the directors and senior officers of the Corporation, as of September 28, 2015, the following persons or corporations beneficially own, or controls or directs, directly or indirectly, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Corporation:

Name of Shareholder	Number of Shares	Percentage of Issued and Outstanding
Frank Giustra	1,660,000 (1)	16.55%

Note:

(1) 1,560,000 of these shares are held through The Radcliffe Foundation over which Frank Giustra has control but not beneficial ownership. The remaining 100,000 shares are held through Radcliffe Corporation over which Frank Giustra has control and beneficial ownership.

STATEMENT OF EXECUTIVE COMPENSATION

Named Executive Officers – Compensation Discussion and Analysis

Through its executive compensation practices, the Corporation seeks to provide value to its Shareholders through a strong executive leadership. Specifically, the Corporation's executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Corporation's strategic objectives, motivate and reward executives whose knowledge, skills and performance are critical to the Corporation's success, and align the interests of the Corporation's executives and Shareholders by motivating executives to increase shareholder value. In determining executive compensation, the Corporation relies solely on the experience and knowledge of the board of directors.

During the financial years of the Corporation ended June 30, 2014 and June 30, 2015, no executive officer received any base salary compensation from the Corporation for their services in their capacity as an officer of the Corporation. In the event the Corporation is in a position to pay a base salary to any officer, such a base salary would be determined by the Board of Directors and may be based on performance contributions for the year and sustained performance contributions over a number of years. Officers would also be eligible to receive discretionary

bonuses as determined by the Board of Directors based on each officer's responsibilities, his achievement of corporate objectives and the Corporation's financial performance.

In addition, officers, directors, employees, consultants and charitable organizations are eligible under the Corporation's stock option plan to receive grants of stock options. The stock option plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. Compensation to Named Executive Officers during the financial year ended June 30, 2015 consisted solely of the granting of stock options. There are no employment contracts in place for the officers of the Corporation.

The Board of Directors has not conducted a formal evaluation of the implications of the risks associated with the Corporation's compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Corporation's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Corporation.

Option Based Awards

The Corporation has in effect a stock option plan (the "Stock Option Plan") in order to provide effective incentives to directors, officers, senior management personnel, employees and consultants of the Corporation and to enable the Corporation to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Corporation's Shareholders. The Corporation has no equity compensation plans other than the Stock Option Plan. The Stock Option Plan is an important part of the Corporation's long-term incentive strategy for its executive officers, permitting them to participate in any appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to officers is dependent on each officer's level of responsibility, authority and importance to the Corporation and the degree to which such executive officer's long term contribution to the Corporation will be key to its long-term success. Previous grants of stock options are taken into account when considering new grants. The Corporation also grants options to charitable organizations as part of its commitment to social responsibility.

The Corporation is seeking the approval of the Shareholders at the Meeting to re-approve the Stock Option Plan. The significant terms of the Corporation's Stock Option Plan are set out below under the heading *"Particulars of Other Matters to be Acted Upon – Re-Approval of Rolling Stock Option Plan"*.

Use of Financial Instruments

The Corporation does not have a policy that would prohibit a Named Executive Officer or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. However, management is not aware of any Named Executive or director purchasing such an instrument.

Named Executive Officers Compensation

In accordance with the provisions of applicable securities legislation, the Corporation had two (2) Named Executive Officers during the financial year ended June 30, 2015, namely, Geir Liland, who has served as Chief Executive Officer of the Corporation since March 1, 2011, and Kristen Reinertson, who has served as Chief Financial Officer and Corporate Secretary of the Corporation since April 17, 2013.

is or has been indebted to the Corporation or any of its subsidiaries or has been indebted to any other entity where that indebtedness was the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Corporation or any of its subsidiaries, and which was not entirely repaid on or before the date of this information circular.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set out elsewhere in this Information Circular, no person who has been a director or executive officer of the Corporation since July 1, 2014, no proposed nominee for director and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon (other than the election of directors or the appointment of auditors) which has materially affected or would materially affect the Corporation or any of its subsidiaries. See "*Interest of Informed Persons in Material Transactions*" below.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed elsewhere in this Information Circular or in the Notes to the Corporation's financial statements for the financial years ended June 30, 2015, none of:

(a) the Informed Persons of the Corporation;

Registered Shareholders must also provide written instructions in order to receive the financial statements.

FIXING THE NUMBER OF DIRECTORS AND ELECTION OF DIRECTORS

The persons named in the enclosed Instrument of Proxy intend to vote in favour of fixing the number of directors at four (4). Management has nominated four (4) individuals to stand for election. Each director of the Corporation is

elected annually and holds office until the next Annual General Meeting of Shareholders unless his successor is duly elected or until his resignation as a director. In the absence of instructions to the contrary, the shares represented by Proxy will be voted for the nominees herein listed. Management does not contemplate that any of the nominees will be unable to serve as a director.

Advance Notice Provisions

At the Corporation's 2013 annual general and special meeting, the Corporation's Shareholders voted to adopt amendments to the Corporation's Articles to include advance notice provisions (the "Advance Notice Provisions"). The Advance Notice Provisions include, among other things, a provision that requires advance notice be given to the Corporation in circumstances where nomination of persons for election to the Board are made by Shareholders of the Corporation. The Advance Notice Provisions set a deadline by which Shareholders must submit nominations (a "Notice") for the election of directors to the Corporation prior to any annual or special meeting of Shareholders. The Advance Notice Provisions also set forth the information that a Shareholder must include in the Notice to the Corporation, and establish the form in which the shareholder must submit the Notice for that notice to be in proper written form.

In the case of an annual meeting of Shareholders, a Notice must be provided to the Corporation not less than 30 days and not more than 65 days prior to the date of the annual meeting.

As of the date of this Information Circular, the Corporation has not received notice of a nomination in compliance with the Advance Notice Provisions.

The Corporation does not currently have an Executive Committee of its Board of Directors. Pursuant to National instrument 52-110, the Corporation is required to have an Audit Committee of its board of directors. The current members of the Audit Committee are Geir Liland, Tom Shiffman and Julie Rennie.

Except as disclosed below, none of the proposed nominees for director have been, within 10 years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company that:

(a) was subject to a cease trade order or similar order or an order that denied the relevant company access to any exemption under securities legislation for a period of more than 30 consecutive days that was issued while that person was acting in that capacity;

Geir Liland, the Chief Executive Officer and a director of the Corporation, is a director of Pacific Imperial Mines Inc. ("**PPM**"). On November 6, 2008, PPM received a cease trade order issued by the British Columbia Securities Commission for failure to file audited financial statements and MD&A for the year ended June 30, 2008. PPM was unable to complete its annual audit as it could not obtain adequate financial information from its wholly-owned subsidiary in China. Effective February 1, 2010, PPM's listing on the TSX Venture Exchange was transferred to NEX (being the market on which former Exchange issuers that do not meet Exchange Tier Maintenance Requirements may continue to trade). The financial statements were filed and the cease trade order was subsequently revoked by the British Columbia Securities Commission on June 25, 2010. Pacific Imperial Mines Inc. shares were reinstated for trading on NEX on October 12, 2010.

None of the proposed nominees for director have, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold their assets.

Stock options granted to persons involved in Investor Relations Activities will cease to be exercisable 30 days after the optionee ceases to serve in such capacity

otherwise than by death, or for a "reasonable period"after the optionee ceases to serve in such capacity, as determined by the board of directors of the Corporation;

(k) Disinterested Shareholder Approval will be obtained for any reduction in the exercise price of a stock option if the Optionee is an Insider of the Corporation at the time of the proposed amendment;

(l) the Stock Option Plan contains provisions for adjustment in the number of common shares or other property issuable on exercise of a stock option in the event of a share consolidation, split, reclassification or other capital reorganization, or a stock dividend, amalgamation, merger or other relevant corporate transaction, or any other relevant change in or event affecting the common shares;

(m) upon the occurrence of an Accelerated Vesting Event (as defined in the Stock Option Plan), the Board will have the power, at its sole discretion and without being required to obtain the approval of Shareholders or the holder of any stock option, to make such changes to the terms of stock options as it considers fair and appropriate in the circumstances, including but not limited to: (a) accelerating the vesting of stock options, conditionally or unconditionally; (b) terminating every stock option if under the transaction giving rise to the Accelerated Vesting Event, options in replacement of the stock options are proposed to be granted to or exchanged with the holders of stock options, which replacement options treat the holders of stock options in a manner which the Board considers fair and appropriate in the circumstances having regard to the treatment of holders of common shares under such transaction; (c) otherwise modifying the terms of any stock option to assist the holder to tender into any take-over bid or other transaction constituting an Accelerated Vesting Event; or (d) following the successful completion of such Accelerated Vesting Event, terminating any stock option to the extent it has not been exercised prior to successful completion of the Accelerated Vesting Event. The determination of the Board in respect of any such Accelerated Vesting Event shall for the purposes of the Stock Option Plan be final, conclusive and binding;

(n) in connection with the exercise of an Option, as a condition to such exercise the Corporation shall require the optionee to pay to the Corporation an amount as necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions relating to the exercise of such Option; and

(o) an Option will be automatically extended past its expiry date if such expiry date falls within a blackout period during which the Corporation prohibits optionees from exercising their options, subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Corporation pursuant to its internal trading policies; and (ii) must expire upon the general disclosure of undisclosed Material Information; and (b) the automatic extension of an optionee's Option will not be permitted where the optionee or the Corporation is subject to a cease trade order (or similar order under Securities Laws) in respect of the Corporation's securities.

"Consultant", "Director", "Disinterested Shareholder Approval", "Eligible Charitable Organization", "Employee", "Investor Relations Activities", "Management Company Employee", "Market Price", "Material Information", "Person" and "Securities Laws" all have the same definition as in the policies of the TSX Venture Exchange.

Pursuant to the Board's authority to govern the implementation and administration of the Stock Option Plan, all previously granted and outstanding stock options shall be governed by the provisions of the Stock Option Plan.

Management recommends, and the persons named in the enclosed form of proxy intend to vote in favour of, the re-approval of the Stock Option Plan.

The text of the resolution to be passed is as follows. In order to be passed, a majority of the votes cast at the Meeting in person or by proxy must be voted in favour of the resolution.

> "**BE IT RESOLVED THAT** the Corporation's Stock Option Plan dated August 30, 2013 be and is hereby ratified, confirmed and approved with such additional provisions and amendments, provided that such are not inconsistent with the policies of the TSX Venture Exchange, as the directors of the Corporation may deem necessary or advisable."

ROYCE RESOURCES CORP.
FORM 52-110F2
AUDIT COMMITTEE DISCLOSURE

ITEM 1: THE AUDIT COMMITTEE'S CHARTER

PURPOSE

The overall purpose of the Audit Committee (the "**Committee**") of Royce Resources Corp. (the "**Corporation**") is to ensure that the Corporation's management has designed and implemented an effective system of internal financial controls, to review and report on the integrity of the consolidated financial statements and related financial disclosure of the Corporation, and to review the Corporation's compliance with regulatory and statutory requirements as they relate to financial statements, taxation matters and disclosure of financial information. It is the intention of the Board that through the involvement of the Committee, the external audit will be conducted independently of the Corporation's Management to ensure that the independent auditors serve the interests of Shareholders rather than the interests of Management of the Corporation. The Committee will act as a liaison to provide better communication between the Board and the external auditors. The Committee will monitor the independence and performance of the Corporation's independent auditors.

COMPOSITION, PROCEDURES AND ORGANIZATION

(1) The Committee shall consist of at least three members of the Board of Directors (the "**Board**").

(2) At least two (2) members of the Committee shall be independent and the Committee shall endeavour to appoint a majority of independent directors to the Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Committee members' independent judgment. At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Corporation. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements.

(3) The Board, at its organizational meeting held in conjunction with each annual general meeting of the Shareholders, shall appoint the members of the Committee for the ensuing year. The Board may at any time remove or replace any member of the Committee and may fill any vacancy in the Committee.

(4) Unless the Board shall have appointed a chair of the Committee, the members of the Committee shall elect a chair and a secretary from among their number.

(5) The quorum for meetings shall be a majority of the members of the Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other.

(6) The Committee shall have access to such officers and employees of the Corporation and to the Corporation's external auditors, and to such information respecting the Corporation, as it considers to be necessary or advisable in order to perform its duties and responsibilities.

(7) Meetings of the Committee shall be conducted as follows:

- (a) the Committee shall meet at least four times annually at such times and at such locations as may be requested by the chair of the Committee. The external auditors or any member of the Committee may request a meeting of the Committee;
- (b) the external auditors shall receive notice of and have the right to attend all meetings of the Committee; and
- (c) management representatives may be invited to attend all meetings except private sessions with the external auditors.

(8) The internal auditors and the external auditors shall have a direct line of communication to the Committee through its chair and may bypass management if deemed necessary. The Committee, through its chair, may contact directly any employee in the Corporation as it deems necessary, and any employee may bring before the Committee any matter involving questionable, illegal or improper financial practices or transactions.

ROLES AND RESPONSIBILITIES

(1) The overall duties and responsibilities of the Committee shall be as follows:

(a) to assist the Board in the discharge of its responsibilities relating to the Corporation's accounting principles, reporting practices and internal controls and its approval of the Corporation's annual and quarterly consolidated financial statements and related financial disclosure;

D. co-operation received from the Corporation's personnel during the audit;

E. internal resources used;

G. significant proposed adjustments and recommendations for improving internal accounting controls, accounting principles or management systems; and

H. the non-audit services provided by the external auditors;

(e) to discuss with the external auditors the quality and not just the acceptability of the Corporation's accounting principles; and

(f) to implement structures and procedures to ensure that the Committee meets the external auditors on a regular basis in the absence of management.

(3) The duties and responsibilities of the Committee as they relate to the internal control procedures of the Corporation are to:

(a) review the appropriateness and effectiveness of the Corporation's policies and business practices which impact on the financial integrity of the Corporation, including those relating to internal auditing, insurance, accounting, information services and systems and financial controls, management reporting and risk management;

(b) review compliance under the Corporation's business conduct and ethics policies and to periodically review these policies and recommend to the Board changes which the Committee may deem appropriate;

(c) review any unresolved issues between management and the external auditors that could affect the financial reporting or internal controls of the Corporation; and

(h) review the Corporation's compliance with regulatory and statutory requirements as they relate to financial statements, tax matters and disclosure of financial information; and

(i) develop a calendar of activities to be undertaken by the Committee for each ensuing year and to submit the calendar in the appropriate format to the Board of Directors following each annual general meeting of Shareholders.

(5) The Committee shall have the authority:

ITEM 2: COMPOSITION OF THE AUDIT COMMITTEE

The current members of the Committee are Geir Liland, Tom Shiffman and Julie Rennie. Geir Liland is the Chief Executive Officer of the Corporation and is therefore not independent. Tom Shiffman and Julie Rennie are considered independent. All of the members are financially literate. "Independent" and "financially literate" have the meaning used in National Instrument 52-110 (the "**Instrument**") of the Canadian Securities Administrators.

ITEM 3: RELEVANT EDUCATION AND EXPERIENCE

The Instrument provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements.

All of the members of the Corporation's audit committee are financially literate as that term is defined in the Instrument. All members have an understanding of the accounting principles used by the Corporation to prepare its financial statements and have an understanding of its internal controls and procedures for financial reporting. In addition to each member's general business experience, the education and experience of each Committee member relevant to the performance of his/her responsibilities as a Committee member is as follows:

Geir Liland has acted as a director, officer (including CFO) and audit committee member of several junior public companies for many years, which experience has given him the knowledge required to understand and assess the general application of the accounting principles used by the Corporation and to understand internal controls and procedures for financial reporting.

Tom Shiffman was president of Wear Else Fashion Inc. since 1982, a retail fashion company he founded in 1976 and sold in 2007. He is President of M.T. Ventures Ltd., an independent holding company involved in real estate and financial investments. He is also currently working as a retail consultant and president of his own company Bread & Butter Retail Consulting. Through these positions Mr. Shiffman has an understanding of the accounting principles used by the Corporation and an understanding of its internal controls and procedures for financial reporting.

Julie Rennie has served on the board and audit committee of other junior public companies, which experience has given her the required experience to understand and assess the general application of the accounting principles used by the Corporation and to understand internal controls and procedures for financial reporting.

ITEM 4: AUDIT COMMITTEE OVERSIGHT

At no time since the commencement of the Corporation's most recently completed financial year was a recommendation of the Committee to nominate or compensate an external auditor (currently, Dale Matheson Carr-Hilton Labonte LLP, Chartered Accountants) not adopted by the Board.

ITEM 5: RELIANCE ON CERTAIN EXEMPTIONS

Since the effective date of the Instrument, the Corporation has not relied on the exemptions contained in Section 2.4 or Part 8 of the Instrument. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of the Instrument, in whole or in part.

ITEM 6: PRE-APPROVAL POLICIES AND PROCEDURES

Formal policies and procedures for the engagement of non-audit services have yet to be formulated and adopted. Subject to the requirements of the Instrument, the engagement of non-audit services is considered by the Corporation's Board of Directors, and where applicable by the Audit Committee, on a case by case basis.

ITEM 7: EXTERNAL AUDITOR SERVICE FEES (BY CATEGORY)

The aggregate fees charged to the Corporation by the external auditor in each of the last two fiscal years is as follows:

All other fees (non-tax)	Nil	Nil
Total Fees:	**$ 6,120**	**$ 6,120**

ITEM 8: EXEMPTION

In respect of the most recently completed financial year, the Corporation is relying on the exemption set out in section 6.1 of the Instrument with respect to compliance with the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of the Instrument.

SCHEDULE "B"
ROYCE RESOURCES CORP.
FORM 58-101F2
CORPORATE GOVERNANCE DISCLOSURE

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* Royce Resources Corp. (the "**Corporation**") is required to and hereby discloses its corporate governance practices as follows.

ITEM 1. BOARD OF DIRECTORS

The Board of Directors of the Corporation facilitates its exercise of independent supervision over the Corporation's management through frequent meetings of the Board.

Tom Shiffman and Julie Rennie, directors of the Corporation, are "independent" in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director's ability to act with the best interests of the Corporation, other than the interests and relationships arising from shareholdings. Geir Liland is the Chief Executive Officer of the Corporation and is therefore not independent.

ITEM 2. DIRECTORSHIPS

The current and proposed directors of the Corporation are currently directors of the following other reporting issuers:

Name	Name of Reporting Issuer
Geir Liland	Adamera Minerals Corp.
Robert McLeod	Redstar Gold Corp. Independence Gold Corp. Copperbank Resources Corp. Entourage Metals Ltd. Gold Standard Ventures Corp. IDM Mining Ltd.
Brian Paes-Braga	None
Harry Pokrandt	Sandspring Resources Ltd.
Tom Shiffman	None
Julie Rennie	None

ITEM 3. ORIENTATION AND CONTINUING EDUCATION

The Board of Directors of the Corporation briefs all new directors with the policies of the Board of Directors, and other relevant corporate and business information.

ITEM 4. ETHICAL BUSINESS CONDUCT

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a

director, officer, employee or agent of the Corporation or an affiliate of the Corporation, (ii) is for indemnity or insurance for the benefit of the director in connection with the Corporation, or (iii) is with an affiliate of the Corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Corporation at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Corporation for any profit realized from the contract or transaction.
