Re: Green Planet Group, Inc.'s Report Published through the OTC Disclosure and News Service – Quarter Ended December 31, 2015

Dear Ladies and Gentlemen:

This opinion letter is written on behalf of our client, Green Planet Group, Inc. (the "Company"). OTC Markets Group, Inc. (the "OTC Markets Group") is entitled to rely on this letter in determining whether the Company has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933, as amended (the "Securities Act"). Michael K. Hair of Michael K. Hair, P.C. (the "Firm"), is a citizen and resident of the U.S. The Firm has been retained by the Company as its securities counsel, which duties include rendering this letter.

We have examined such corporate records and other documents and such questions of law as we considered necessary or appropriate for purposes of rendering this letter. Michael K. Hair is authorized to practice law in the States of Arizona and Colorado and the Federal Courts of United States, is permitted to practice before the SEC and has not been prohibited from practice thereunder. As to matters of fact, the Firm has relied upon information obtained from officers of the Company and other sources. The Firm believes all such sources are reliable.

On March 25, 2016 we reviewed: (i) the Company's Report For the Fiscal Quarter Ending December 31, 2015 filed on the OTC Disclosure and News Service (the "DNS") by the Company on March 1, 2016 (the "Information"). The Information: (i) constitutes "adequate current public information" concerning and the Company and its securities and "is available" within the meaning of Rule 144(c)(2) under the Securities Act; (ii) includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation of the securities under Rule 15(c)2-11 under the Securities Exchange Act of 1934 (the "Exchange Act"); (iii) complies as to form with OTC Markets Group's OTC Pink Disclosure Guidelines, which are located on the internet at www.otcrnarkets.com; and (iv) has been posted on the DNS.

We have reviewed, the financial statements included in the Information, which are unaudited. The financial statements were prepared by Edmond L. Lonergan, the Company's Chief Executive Officer and Chief Financial Officer. The qualifications and expertise of Mr. Lonergan in preparing the Company's financial statements are not set forth in Item 8 of the Annual Report.

The Company's transfer agent is Olde Monmouth Stock Transfer Co. located at 200 Memorial Parkway, Atlantic Highlands, New Jersey 07716. We have confirmed that this transfer agent has filed its Form TA-2 with the SEC for the 2016 year. The method used to confirm the number of outstanding shares set forth in the Information as of December 31, 2015 by us was a review of the stockholder list furnished by the transfer agent.

We have met with a majority of the Board of Directors of the Company in person in October 2015 and discussed the Information with them.

To the best of our knowledge, after inquiry of management and the majority of the Directors of the Company, except as described the in the paragraphs below, neither the Company, any five percent stockholder of the Company nor any counsel of the Company is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

On June 1, 2015, the Securities And Exchange Commission (the "SEC") filed a civil case (Case 0:15-cv–61148- KMW) in U.S. District Court for the Southern District of Florida against the Company and Edmond L. Lonergan, its President and Chief Executive Officer. The SEC complaint alleges these defendants were involved in a fraudulent market manipulation scheme involving the Company's common stock and an illegal bribe to a corrupt promoter so the promoter would purchase the Company shares in the open market between March 2012 and February 2013. The SEC alleged that these defendants violated Section 10b of the Securities Exchange Act of 1934 (the "Exchange Act") and SEC Rules 10b-5(a) and 10b-5(c) thereunder. The SEC seeks the following remedies against these defendants: (i) an injunction restraining the defendants from violating federal securities laws; (ii) the payment of money penalties by the defendants; (iii) bans against Mr. Lonergan from participating in any future Penny Stock offering and from serving as an officer of any SEC reporting company.

On September 29, 2015, the defendants filed an Answer to the SEC complaint which amounted to a general denial of the SEC allegations, with specific denials to the alleged facts which are central to the SEC's case.

On December 1, 2015, the Federal court ordered the SEC to drop its claims of seeking ill gotten gains by the defendants and seeking damages relating to investor harm. This order also removed the affirmative defenses of the defendants relating to those SEC claims.

On January 22, 2016 a court ordered mediation was conducted before an impartial mediator. No settlement was reached at that time. At this time a week-long jury trial is set in this matter for October 17, 2016 with all discovery by the parties to be completed by June 28, 2016.

The Firm grants OTC Markets Group full and complete permission and right to publish this letter solely on the OTC Disclosure and News Service for viewing by the public and regulators. Notwithstanding such publication, other than OTC Markets Group, no one is entitled to rely on this letter or any statement contained herein.

Very truly yours,

Michael K. Hair, P.C.
