6) Describe the Issuer's Business, Products and Services

Describe the issuerøs business so a potential investor can clearly understand the company. In answering this item, please include the following:

A. a description of the issuerøs business operations;

Scrypt, Inc., formerly known as SecureCare Technologies, Inc. (the ñCompanyò), is a provider of internet-based document exchange and electronic storage solutions.

Effective February 27, 2014, the Company changed its name from SecureCare Technologies, Inc. to Scrypt, Inc.

The company merged with Axacore, Inc. on December 31, 2014.

The company merged with J&H Medsoft LLC (DBA DocBookMD) on February 29, 2016.

The Company focuses on helping healthcare and lending customers streamline paper-intensive processes and protect sensitive and business-critical information. The Company is dedicated to eliminating manual processes and paper using its proprietary technology.

The Companyøs four main product brands are SfaxÊ , StakÊ (Formerly ScryptÊ), XDOCÊ , and FaxAgentÊ .

The Companyøs internet-based SfaxÊ with digital signature and annotation features is a secure electronic fax record. The product is a HIPAA-ready (Health Insurance Portability and Accountability Act) work flow solution that maintains the essential benefits that keep faxing relevant but removes the pain associated with manual faxing and fax servers by bringing the fax to the cloud. SfaxÊ is for industries and organizations that continue to rely on fax for business-critical documents ï enabling faster, more efficient and easier workflow management for teams to get their job done.

StakÊ (formerly ScryptÊ) is a document platform built for healthcare. StakÊ lets users transform their workflow by storing, exchanging and enhancing documents in a cloud-based HIPAA compliant environment. StakÊ can be universally adopted by a single physician to enterprise-level hospital groups, where thousands of users can collaborate across multiple locations. The Company launched StakÊ into the market on February 25, 2016.

XDOCÊ is an electronic document management (EDM) platform to help simplify the mortgage lending process.

FaxAgentÊ provides business-class Fax Over Internet Protocol (FoIP) technology for small and medium-sized telecommunication carriers or service providers that wish to incorporate reliable, high performance and scalable faxing technology into their offering.

The Company markets its services to customers throughout the United States; currently operating from its Austin, Texas-based corporate headquarters. Effective December 31, 2014 in its merger with Axacore, Inc. the company now operates out of one additional location, San Diego, California.

B. Date and State (or Jurisdiction) of Incorporation:

June 1998; State of Nevada

C. the issuerôs primary and secondary SIC Codes;

SIC Code: 5734 and NAICS Code: 443120

D. the issuerôs fiscal year end date;
