6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

A. Description of the issuer's business operations:

Cerro Dorado, Inc. ('the Company") was incorporated under the laws of the state of Florida on September 23, 1988 under the name of B.C. Realty Partners, Inc. The Company later changed its name on November 16, 1998 to Weather All Manufacturing USA, Inc. Following a change of management in March of 1999, the Company changed its name to Cerro Dorado, Inc. and redirected its business activities to the mining industry. On July 14, 1999 the Company changed its state of domicile from Florida to Nevada.

The Company is currently headquartered in Salt Lake City, UT and is a junior exploration and mining company that specializes in the acquisition and exploration of gold properties in Chile. The Company is currently evaluating sites throughout Chile's long, lucrative gold and copper belts. The mission of the Company is to develop these and other mining properties to maximize their potential profitability with the ultimate goal of securing a joint venture partnership with an established, reputable mining company or possibly secure a buyout from same.

The Company owns a 99.8% interest in a Chilean subsidiary, Cerro Dorado Chile ("CDC"). The Company previously held a 50% ownership in CDC until January 2016 when the Company acquired the additional interest as a result of negotiations by a representative of the Company with Mr. Fernandez in Chile. As a result of these negotiations, 2,490 shares of the total 5,000 shares were transferred to the Company at no additional cost to it.

As part of these negotiations in January 2016, the Company also entered into an agreement with Auryn Mining Chile, SpA ("Auryn") through which CDC's ownership of the Lonco Millarepu 1-60 and the Fortuna 61-120 mining claims was transferred to Auryn in exchange for a 5% equity ownership of Auryn. The Acquisition by Auryn resulted in their consolidation of over 10,000 hectares (24,700 acres) of mining claims in the Altos de Lipangue area, located approximately 30 kilometers northwest of Santiago, Chile. The concerted interest of the Company and Auryn in the Altos de Lipangue area stems from gold and copper productions in the 1950s-1970s, which yielded gold concentrates upwards of 20g/ton, as reported by Aurtn.

The Company informed its shareholders that any proceeds directly resulting from the Auryn transaction will be used to return value to the sharehodlers directly rather than using such proceeds for exploration of new projects.

B. Date and State (or Jurisdiction) of Incorporation:

The Company was incorporated under the laws of the state of Florida on September 23, 1988 under the name of B.C. Realty Partners, Inc. The Company later changed its name on November 16, 1998 to Weather All Manufacturing USA, Inc. In March of 1999, the Company changed its name to Cerro Dorado, Inc. and redirected its business activities to the mining industry. On July 14, 1999 the Company changed its state of domicile from Florida to Nevada.

C. The issuer's primary and secondary SIC Codes:

SIC Code 1041, Establishments primarily engaged in mining gold ores from lode deposits or in the recovery of gold from placer deposits by any method

D. The issuer's fiscal year end date:

December 31

E. Principal products or services, and their markets

Cerro Dorado, Inc. is an international mining and exploration company conducting business primarily through its Chilean subsidiary, Cerro Dorado Chile. Following the sale of its existing mining claims to Auryn, as described above, the Company is pursuing additional projects and opportunities, both domestically and internationally, which stand to increase the value of the Company and benefit its many shareholders.

7) Describe the Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer, give the location of the principal plants and other property of the issuer and describe the condition of the properties. If the issuer does not have complete ownership or control of the property (for example, if others also own the property or if there is a mortgage on the property), describe the limitations on the ownership.

If the issuer leases any assets, properties or facilities, clearly describe them as above and their terms.

The Issuer is currently renting office space from its registrar and transfer agent, American Registrar & Transfer Co. at a rate of $250/mo. The office consists of space for storage, access to utilities for phone, power and internet as well as other basic office supplies.

8) Officers, Directors, and Control Persons

The goal of this section is to provide an investor with a clear understanding of the identity of all the persons or entities that are involved in managing, controlling or advising the operations, business development and disclosure of the issuer, as well as the identity of any significant shareholders.

A. Names of Officers, Directors, and Control Persons.
