Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

   Orca Touchscreen, operating through its wholly-owned subsidiary, Orca Mobile Solutions Ltd., is in the business of designing, producing, distributing, selling, servicing and refurbishing touchscreen devices, including smartphones and tablets.

   The Company is working with partners in developing countries to establish semi knock down (SKD) assembly factories to produce smartphones, tablets and other touchscreen devices for sale in the rapidly growing markets of those countries. The SKD method involves kits of partially-assembled components shipped from Asia to a developing country for assembly into finished products. The Issuer is establishing joint ventures in which SKD components are imported and assembled in developing countries to create finished products for distribution, sale, service and refurbishment in the growing markets of smartphone and tablet users in those countries.

   The Issuer has a 30% equity interest in Sollen Mobile, S.A., a Guatemalan joint venture company, which has operated an SKD assembly factory in Esquintla, Guatemala producing smartphones since July 2015.

   During the previous month, the Issuer:

   (a) continued to negotiate with potential joint venture partners to establish smartphone and tablet SKD assembly factories in various countries throughout the world; and

   (b) on March 4, 2016 closed a unit private placement for gross proceeds of $81,000.00 (detailed in Item 15).
