As to matters of fact, I have relied on information obtained from public officials, officers and directors of the Issuer and other sources, and these sources are believed to be reliable.

The Issuer has posted its most recent Information Statement pursuant to Rule 15c2(11) under the Securities Exchange Act of 1934 to the OTC Markets' website on March 30, 2016, November 9, 2015, August 12, 2015, and May 14, 2015, along with its Annual Report as at December 31, 2015 posted on March 30, 2016 and its Quarterly Reports - Financial Statements on November 9, 2015, August 12, 2015 and May 14, 2015 (hereinafter the "Information"). I have reviewed the information published by the Issuer on the OTC Markets Group's website, and, after a reasonable investigation, including a Skype video-conference meeting with the Issuer's newly appointed officer Keir Macpherson after receiving and confirming his identity (current Canadian passport) to discuss the Information, I have no reason to believe that, at the time such Information was published on the OTC Markets Group's website, the Information contained an untrue statement of material fact or omits to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

It is my opinion that the Information (i) constitutes "adequate current information" concerning the Issuer's securities is "publicly available", within the meaning of Rule 144(c) under the United States Securities Act of 1933, as amended, (ii) the Information includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for such issuer's securities under Rule 15c2-1 1 under the United States Securities Exchange Act of 1934, as amended, (iii) the information complies in all material respects with the OTC Markets Group's Guidelines for Providing Adequate Current Information, and (iv) the information has been posted on the OTC Markets Group's website.

Other related matters relating to this opinion as required are as follows:

1. The person responsible for the preparation of the unaudited financial statements contained in the Information is John A. MacAskill. John A. MacAskill has a Bachelor of Commerce degree in finance and received his professional CGA designation in 1984. He has prepared financial statements and related disclosure documents for public companies both in Canada and the US for the past thirty-one years;

2. The Issuer's transfer agent is Manhattan Transfer Registrar Company, which is registered with the Securities Exchange Commission; and

3. To the best of my knowledge, after inquiry of management and the directors of the Issuer and other reliable sources, neither the Issuer of the securities, any 5% holder of the security, nor counsel is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

This opinion letter speaks only to the date hereof. We assume no responsibility for updating our opinion letter or any information posted on the OTC Markets Group, which is and remains the obligation of the Issuer.
