NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNT POLICIES

Nature of Business

On January 3, 2014, the Company underwent a Statutory A Reorganization in compliance with Section 368(a)(1)(B) of the Internal Revenue Code of 1986, as amended, and pursuant to Section 1081(g) of the Oklahoma General Corporation Act. On that date, Knox Nursery, Inc. caused Upper Street Marketing, Inc. ("Upper Street Marketing") to be incorporated in the State of Oklahoma as a direct wholly-owned subsidiary. Concurrently, Upper Street Marketing, Inc. caused Knox Nursery Merger Corp. ("Knox Merger") to be incorporated as a direct wholly-owned subsidiary. Under the terms of the Reorganization, Knox Nursery, Inc. was merged with and into Knox Merger. Upon consummation of the Reorganization, Knox Nursery Merger Corp. was the surviving corporation, and Knox Nursery, Inc. ceased to exist. Knox Nursery Merger Corp. subsequently changed its name to Knox Nursery, Inc. Additionally, each issued and outstanding equity of Knox Nursery, Inc. was exchanged for an equivalent equity of Upper Street Marketing, Inc. on a one for one basis. The issued and outstanding shares of Upper Street Marketing, inc. have the same designations, rights, powers and preferences, and qualifications, limitations and restrictions as the equities of Knox Nursery, Inc. being converted. Upper Street Marketing, Inc. concurrently determined that its ownership of Knox Merger was of no further value and returned the newly issued shares evidencing its ownership in Knox Merger to the Board of Directors of Knox Merger for cancellation. Upper Street Marketing, Inc. has no interest in Knox Merger nor any ownership or control over Knox Merger, and never managed, controlled or capitalized Knox Merger. The shares of Knox Merger held by Upper Street Marketing, Inc. were cancelled on January 3, 2014.

On January 3, 2014, Upper Street Activewear, Inc., an Oklahoma corporation, (Formerly J & J Acquisitions Seven, Inc.) and the owners of 100% of its issued and outstanding stock, and the Company, entered into a Share Exchange Agreement, wherein 40,016,000 shares of Common Stock and 700,000 shares of Preferred Series A Stock, representing 100% of the issued and outstanding stock, of Upper Street Activewear, Inc. were exchanged for 40,016,000 shares of Common Stock and 700,000 shares of Preferred Series A Stock. For accounting purposes, the transaction is a accounted for as a recapitalization of Upper Street Marketing, Inc., which is treated as the surviving and continuing entity although Upper Street Activewear, Inc. is the legal acquirer. Accordingly, the Company's historical financial statements are those of Upper Street Activewear, Inc.

On April 25, 2014 the Company entered into a Share Exchange Agreement with MagMo, Inc. (“MagMo”), whereby the Company issued 4,000,000 shares of common stock in order to acquire 100 percent of the issued and outstanding common shares of MagMo. Pursuant to this transaction, MagMo became a wholly-owned subsidiary of the Company. Concurrent with the execution of the Share Exchange Agreement, the Company entered into an Employment Agreement with Stephen Meade, and pursuant to the terms of the Employment Agreement issued 6,000,000 shares of common stock to Mr. Meade.

Principles of Consolidation

The attached financial statements include the business activities of Upper Street Marketing, Inc., and its wholly-owned subsidiaries Upper Street Activewear, Inc., MagMo, Inc., and New Haven Marketing, Inc. All Intercompany transactions have been eliminated in the consolidation process.

Basis of Presentation

These financial statements and related notes are presented in accordance with accounting principles generally accepted in the United States, and are expressed in US dollars. The Company's fiscal year-end is December 31.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statement and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Company recognizes revenue when products are fully delivered or services have been provided and collections is reasonably assured.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNT POLICIES (Continued)

Cash and Cash Equivalents
The Company considers all highly liquid instruments purchased with a maturity of three months or less to be cash equivalents to the extent the funds are not being held for investment purposes.

Basic (Loss) per Common Share
Basic (loss) per share is calculated by dividing the Company's net loss applicable to common shareholders by the weighted average number of common shares during the period. Diluted earnings per share is calculated by dividing the Company's net income available to common shareholders by the diluted weighted average number of shares outstanding during the year. The diluted weighted average number of shares outstanding is the basic weighted number of shares adjusted for any potentially dilutive debt or equity. There are no such common stock equivalents outstanding as of December 31, 2015.

Recent Accounting Pronouncements
The Company has implemented all new accounting pronouncements that are in effect and the may impact its financial statements and does not believe that there are any other new accounting pronouncements that have been issued that might have a material impact on its financial position or results of operations.

NOTE 2 - GOING CONCERN

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States, which contemplate continuation of the Company as a going concern. However, the Company has not generated revenues since inception and has an accumulated deficit of $ 1,148,052 as of December 31, 2015. The Company currently has limited liquidity and has not completed its efforts to establish a stabilized source of revenues sufficient to cover operating costs over an extended period of time. These factors raise substantial doubt about the Company's ability to continue as a going concern.

Management anticipates that the Company will be dependent, for the near future, on additional investment capital, primarily from its shareholders, to fund operating expenses. The Company intends to position itself so that it may be able to raise additional funds through the capital markets. In light of management's efforts, there are no assurances that the Company will be successful in this or any of its endeavors or become financially viable and continue as a going concern.
