On September 24, 2007, the corporate name was changed to American Post Tension, Inc. as the result of an acquisition. On June 30, 2011, the Company acquired Crown City Pictures, Inc., a Florida corporation and changed its corporate name to Crown City Pictures, Inc. on that date as part of the acquisition. 3. The Issuer's fiscal year end date:

The Issuer's fiscal year end date is December 31.

4. Whether the Issuer (and/or any predecessor) has been in bankruptcy, receivership or any similar proceeding:

Neither the Issuer nor any predecessor has been in bankruptcy, receivership or any similar proceeding.

5. Any material reclassification, merger, consolidation, or purchase or sale of a significant amount of assets not in the ordinary course of business:

On August 30, 2015, the Company entered into an agreement to acquire an interactive gaming asset from Interactive Gaming Development Group of Bulgaria. The proprietary gaming engine accommodates Texas Hold'em, Omaha, Omaha High, Omaha Low, 7 Card Stud, 5 Card Stud, Roulette, and Blackjack gaming and is maret ready. The original agreement was then amended on September 15, 2015 and closed on September 30, 2015 with the transfer of the gaming assets to the Company, which plans to firm a new wholly-owned subsidiary to which the assets and business will be transferred.

Under the terms of the amended agreement and closing, the Company purchased the gaming asset for a total of $5,500,000 through a combination of stock and cash, as follows:

Stock (vaued at $2.00 per share for the acquisition):

Date	Shares	Amount:
December 1, 2015	250,000	$ 500,000

25% of gross advertising revenue as earned	$ 300,000
	$ 500,000

In the event that the closing price of WPFH stock on the date one year after closing is less than $2.00, the Company will issue additional common shares so that the total deal value of the common stock portion of the consideration is $5,000,000.

The acquisition has been entered into the financial records at the full deal value of $5,500,000; however, the Company has not made an independent evavuation of the asset acquird other than as part of the acquisition. At the time of the closing of the transaction, the market price of the last trade of the Company's common stock was at $2.96 per share, which would indicate a transaction value of more than $7.9 million. No independent valuation has been requested or prepared for the acquisition value reported of $5,000,000 and there is a risk that the actual value could be far less, or have no value at all, in which event the carrying amount for the

investment would have to be written off as a loss at the end of the current fiscal year.

On December 3, 2015, the Company entered into a Stock Purchase Agreement with RealDeck Incoprorated ("RealDeck"), a Nevada Corporation to acquire all of the issued and outstanding common and preferred stock of RealDeck. When closed, RealDeck will become a wholly-owned subsidiary of the Company. The consideration for the transfer of the RealDeck shares will be (a) shares of common stock of WPFH equal in market value to $15,000,000, based on an agreed market price of the common stock of WPFH on the OTC Markets of $1.80 per share as of the day before the date of the agreement, and (b) a convertible promisory note in the amount of $465,376. The number of shares issued to the RealDeck shareholders at Closing are subject to increase (but not decrease), if, on the one-year anniversary date of the Closing, the value of the WPFH Shares, based on the aggregate closing market price for the WPFH Shares on the OTC Pink Markets (or any successor applicable stock trading market) at that time, is less than $15,000,000. Closing of the transaction has been extended by agreement to April 30, 2016.

6. Any default of the terms of any note, loan, lease, or other indebtedness or financing arrangement requiring the Issuer to make payments:

None

7. Any change of control:

On October 10, 2014, the Company and the shareholders of World Poker Fund, Inc. agreed to exchange their shares in World Poker Fund, Inc. for stock of the Company, with the exchange shares to be issued as soon as the Company completed a 1 for 150 reverse split of its common stock and changed its corporate name to World Poker Fund Holdings, Inc. As a result, as of January 6, 2015, the common shares held by the former shareholders of Crown City Pictures, Inc. were reduced from 151,070,250 common shares to 1,007,115 post-split common shares. Under the agreement, the outstanding preferred stock of the Company remained issued and outstanding, the authorized common stock of the Company was increased to 250 million shares and 10 shares of common stock, post-reverse split, were issued by the Company to the shareholders of World Poker Fund, Inc. for each share currently held, representing a majority of the resulting common shares outstanding.

The exchange agreement was closed in May, 2015, and an additional 28,925,800 common shares were issued to the shareholders of World Poker Fund, Inc., resulting in a total of 30,882,997 common shares and 1,000,000 Series A Preferred Stock then outstanding, the latter carrying 51 percent of the total voting power of all stock issued. The exchange transaction was recorded on the Company books at an acquisition value of $3,000,000 based on management's best estimate of the transaction value. At the time of the closing of the transaction, the market price of the last trade of the Company's common stock was at $0.60 per share, which would

indicate a transaction value of more than $17 million. No independent valuation has been requested or prepared for the acquisition value reported of $3,000,000 and there is a risk that the actual value could be far less, or have no value at all, in which event the carrying amount for the investment would have to be written off as a loss at the end of the current fiscal year. The price of the common stock as of the date of this report is $2.10, which is in excess of the stock price at the time of the transaction.

Effective May 1, 2015, the Series A Convertible Preferred Stock was sold to Lookhu, Inc., which became the control party of the Company. This Agreement was rescinded in January 2016, and the stock was then acquired by World Casinos & Resorts, Inc, a Nevada Corporation, which is currently the control party of the Company, with 51% of the total vote of all classes of the voting stock of the Company.

8. Any increase of 10% or more of the same class of outstanding equity securities:

In March, 2015, an additional 28,925,800 common shares were issued to the shareholders of World Poker Fund, Inc., resulting in a total of 30,882,997 common shares and 1,000,000 Series A Preferred Stock outstanding, the latter carrying 51 percent of the total voting power of all stock issued. Effective May 2015, the Series A Convertible Preferred Stock was sold to Lookhu, Inc., which was subsequently assigned to World Casinos & Resorts, Inc in January 2016 which became the control party of the Company.

9. Any past, pending or anticipated stock split, stock dividend, recapitalization, merger, acquisition, spin-off, or reorganization:

On January 6, 2015, the Company completed a 1 for 150 reverse split, reducing the number of shares of common stock outstanding to 1,007,135 common shares. In March 2015, the Company completed the acquisition of World Poker Fund, Inc. as a result of which an additional 28,925,800 common shares were issued to the former shareholders of World Poker Fund. As of December 31, 2015, there were 31,302,743 common shares issued and outstanding as a result of the acquisition, the rounding up of frational shares to the next higher whole number and later conversions of outstanding convertible notes into common stock.

The exchange transaction was recorded on the Company books at an acquisition value of $3,000,000 based on management's best estimate of the transaction value. At the time of the closing of the transaction, the market price of the last trade of the Company's common stock was at $0.60 per share, which would indicate a transaction value of more than $17 million. No independent valuation has been requested or prepared for the acquisition value of $3,000,000 and there is a risk that the actual value could be far less, or have no value at all. Management has re-evaluated the acquisition value, and has determined that the reported carrying value

of the acquisition does not need to be reduced or written off at the end of the fiscal year.

10. Any delisting of the Issuer's securities by any securities exchange or deletion from the OTC Bulletin Board:

The company previously was a fully reporting company under Section 12(g) of the Securities Exchange Act of 1934. In March 2013, the Company filed a Form 15 terminating its reporting obligations. As a result, the Company was delisted from the OTC Bulletin Board. The common shares continue to trade on the OTC Pink Markets under the symbol WPFH.

11. Any current, past, pending or threatened legal proceedings or administrative actions either by or against the Issuer that could have a material effect on the Issuer's business, financial condition, or operations and any current, past or pending trading suspensions by a securities regulator. State the names of the principal parties, the nature and current status of the matters, and the amounts involved.

None pending or threatened during the period ended December 31, 2015 or to the date of this report.

ONLINE POKER & SOCIAL GAMING

WPF Interactive, Inc, a Nevada corporation and wholly-owned subsidiary of World Poker Fund Holdings, Inc., will operate and license all of WPFH's international and domestic interactive gaming platforms.

SOCIAL GAMING

We are currently in the process of launching two social gaming platforms under WPFH Interactive. Our first launch will be CelebrityWorld.com which will launch in the second quarter of 2016.

About CelebrityWorld.com

Celebrity World is a new paradigm in the social casino business sector. The $3.4 Billion social casino market has been growing rapidly and is expected to exceed $4.4 Billion by 2017.

Many of the social casinos offer players the ability to play casino games and the "Social" aspect of the casino is that they can invite their friends to play. Celebrity World is a social casino that is also a MMORPG (Massively multiplayer online role-playing game). The advantage of this differentiator is that the players are in a virtual world together where they can play games, mingle, meet new people, and party together. Instead of playing your favorite slot machine by yourself, you can see and chat with others players while you are playing, so you are never playing alone.

Flowplay, who is developing Celebrity World with us, has developed a social casino MMORPG and has proven that the business model consistently monetizes at a rate of over double the RPDAU (revenue per daily average user) of some of the largest social casinos in the world.

World Poker Fund Holdings Inc. (WPFH) has a group of Celebrities that want to connect with their fan base and provide a place where they can hang out, party and have a real interactive experience. Entertainers would like a place where they can host some special events with their fans and let their fans get to know each other since they share a common thread. Imagine an impromptu live performance to get fan feedback on a new song. Or a professional athlete being able to share their excitement with fans late-night after a big game or even hang-out with fans from around the Country during the off-season. Celebrity World will provide a fun and entertaining environment and the players will never know who will be joining in on the fun or making a cameo appearance.

It is free to join Celebrity World and all you have to do is create your own Avatar and just walk around the virtual world… There's always something to do.

Section 1 - Games

When you go to the casino lobby you have your choice of games. A couple things to remember: **1)** When you have charms, your luck is better and you will win more, so be sure to buy some or go to charm parties. **2)** When you are playing a game and a drink or charm just shows up, that means that someone bought drinks or charms for everyone playing that game or at the table. In a friendly game if you buy one drink the whole table gets a round. **3)** There is a leaderboard for each game which tracks who has won the most today or for the week. This can be game-wide or you can just track your friends.

Blackjack – Black Tie Blackjack tables, Hula style Blackjack tables, or even a skill-game version called pixie panic. All tables are multiplayer, but if you prefer, you can choose to play heads-up with the dealer.

Poker – Our poker room host is the WSOP Main Event Champion Jamie Gold. Players will be able to play a No limit hold'em with a variety of limits. Whether you are new to the game or a seasoned veteran, everyone can learn something new from a Poker Champion. Jamie will be provide free tips and even training sessions to help players know when to hold'em and when to fold'em.

Video Poker – If you enjoy video poker instead of playing against others, we have a variety of video poker games you can play. Even while playing video poker, you can see a list of other players that are playing at the same time. Get to know someone or buy them a drink, if you do, everyone that is playing at the same game gets a drink too!!

Slots – Dozens of slots games to choose from. We have tournaments and regular play. You can pick your limits and chat with you friends that are playing the same game. New games are released all the time and VIP members get exclusive play before the games are opened up to everyone.

Sports Betting – A complete Sportsbook with odds on games from NBA to Premier League Soccer. You can also bet on Pop Culture events when they arise like the Oscars or the Grammy Music Awards.

Daily Fantasy Sports – The game replicates traditional DFS mechanics including individual tournaments, 50-50 contests and high-low betting options. It has gone live with contests based around the National Basketball Association (NBA), allowing players to select a full team based on a salary cap, winning points based on the players' performance. Great fun for the experienced basketball fan or it's a great way to get to learn the game and key players.

5-card Draft – A great multiplayer football draft game where you put together a team based on past season statistics of real players. Another great way to learn the game or test your experience against the best.

Bingo – A fun multi-player game with a virtual dauber. You can play multiple cards at once and see if you can get BINGO before the other competitors.

Fringo – Fringo is a combination of Bingo with Fruit instead of numbers. You are playing against other players for the top prizes for 1st 2nd and 3rd. This is a very fast and addicting game where many players work their way through the various limits and earn achievement bonuses. There are also special games for each of the major calendar holdidays.

Solitaire – The classic version of the game that you play by yourself but not alone as other players are always visible on the side-bar. Earn points and get on the leaderboard. There is also a version that has a bit of a spin to it. Try them both and see which one gets you more coins.

Section 2 – Parties

Celebrity World never sleeps. There are parties going on 24/7 and all you have to do is go to the parties tab and it lists them out. You decide what theme you would like to go to and what types of charms you want to get as gifts for attending. The parties are mini-mixers that really kick-off once 25 people are in the room. Enjoy dancing and meeting people while charms are gifted and given out. It takes less than 30 seconds to set-up your own party which shows on the party board. You can invite your friends or just meet new people. Either way, you always get a bonus for being the host.

Section 3 - Club Scene

The biggest attraction in this section is the Fantasy Suites. You get to move up floors in the hotel as you earn more coins through the game. You can throw parties or hang out with friends in your suite. You can also see the Celebrity suites and work your way up to "Celebrity Status".

Many of the parties are held at a private suite but you can also use the club venues. Poolside parties with music playing or go to the dance club where you can meet new people. There is also a VIP lounge and a Love Hotel for couples. Remember to dress appropriately and swimsuits are required at the pool. Be sure to do a cannonball off the diving board, the sunbathers love it.

Section 4 – Shopping

For men and women the shopping is phenomenal. Most items are only on the shelf for a limited time and then they are gone. Several of the celebrities have some articles from their own clothing line in the shop. Show your love by wearing your favorite celebrity's gear to intermix with your own style. We will have fashion shows for the ladies and there is a section on everyone's profile where they can put clothes on a wish list. Many members enjoy getting their friends new outfits that come out or something special for a night out. The store is organized where you can go directly to the pool section or the black tie. There is a special section for VIP members where they will have exclusive clothing that can really make a statement.

Landing page http://www.celebrityworld.com

WPF Interactive, Inc is also in final development stage of its online (non-cash) Poker Platform which will be used to host Sponsorship tournaments. We plan to feature the RealDeck live dealer technology within this platform.

CASH GAMING

Currently, just Nevada, Delaware and New Jersey have web gambling industries. We will be developing an internet poker platform for the California market should online gaming become permitted in the state. We are planning to enter the international online poker markets along with seeking relationships with American Indian Tribes to develop internet poker and gambling platforms throughout the country within sovereign rights under the Indian Gaming Regulatory Act (IGRA).

CHARITY & PUBLIC AWARENESS EVENTS

We will be hosting and sponsoring various Charity Poker and Public Awareness events. We are currently in discussions with several organizations to collaborate on Charity Poker Events.

CASINO DEVELOPMENT & SERVICES

We are seeking opportunities with American Indian Tribes to establish and develop Class III gaming operations for them. Part of our business model will include assisting Native American tribes secure financing to petition for federal recognition and repurchasing land into federal trust.

INDIAN GAMING REGULATORY ACT OF 1988

As codified by the Indian Gaming Regulatory Act of 1988 (IGRA), states have limited ability to forbid gaming in areas that have tribal sovereignty. IGRA breaks gaming into three separate classes: Class I gaming is social and ceremonial gaming of the tribal members; Class II gaming includes bingo and house-banked card games; and Class III gaming is all other types of gaming. Indian tribes are allowed to engage in Class I gaming without exclusions or conditions. Class III gaming can only be conducted under a legal compact between a tribe and the state wherein the Indian lands on which the gaming is conducted lie. Tribes may operate Class II gaming on their Indian lands under self-licensing and regulation, and without a governing tribal-state compact, when such gaming is permitted to anyone else within the state in accordance with state laws. It is our position that an online poker site on sovereign land is authorized Class II gaming under IGRA.

REVENUE STREAMS

SPONSORSHIP TOURNAMENTS

Sponsorship Tournaments will raise funds through (i) staking and (ii) advertising.

POKER ENTERTAINMENT & INTERACTIVE GAMING

Advertisement, sponsorships, merchandizing, and media distribution are all anticipated revenue streams attached to the entertainment content we produce. We have currently arranged a 50% revenue share on all advertisements and sponsorships with our shows distributed on the World Poker Channel of Lookhu.com. We will also be seeking various distribution for our shows.

ONLINE POKER & SOCIAL GAMING

We anticipate the bulk of the poker and social gaming platforms to generate revenues by either consulting/management/royalty fees, virtual chips, memberships, and advertising.

CelebrityWorld.com

Celebrity World's Revenue will be generated by the Sale of VIP and VIP-Elite Memberships ($6-20 per month) and from the sale of Virtual Goods. We will also receive revenues from sponsors and advertisments.

The Major Industry Metrics for social gaming is the ARPDAU (Average Revenue Per Daily Average User) which is measured in cents per day per user. Our partner in CelebrityWorld.com, Flowplay, Inc., currently monetizes its own on-line gaming platform at a rate over double of most major casinos and online brands and we expect similar results, since the Company is similar to FlowPlay's model, with a celebrity element.

The Super Data Industry Report for January, 2016, reported the following results

COMPANY	TITLE	ARPDAU	MONTHLY REVENUE
FlowPlay	Vegas World	$ 0.45	$ 1,173,435
IGT	DoubleDown Casino	$ 0.26	$ 14,067,097
Playtika/Caesars	House of Fun	$ 0.29	$ 4,860,081
Zynga	Texas Hold'em Poker	$ 0.07	$ 5,365,653

The Company believes that its operating results should be at least as good as FlowPlay, once the site is fully operational, since CelebrityWorld is based on the Flowlay model.

There can be no assurance, however, that the operating results of the Company site will reach any of the reported results of any other similar site.

CHARITY & AWARENESS EVENTS

We will be charging for our services to coordinate poker charity and fundraise events. Our clients will mainly be 501(c)3 nonprofit organizations.

CASINO DEVELOPMENT & SERVICES

Depending on the arrangement agreed upon with the Indian tribes, revenue streams will be generated by royalties, consulting, and management fees.

MERCHANDISING

We plan to enter into licensing/royalty agreements with some or all of our celebrity beneficial owners on various merchandising and promotional properties related directly or indirectly to our projects, gaming platforms, shows and tournaments. Our objective would be to primarily convert their social media followers into our consumers.

We have signed a definitive agreement to acquire the show and tournament rights for the International Poker League ("IPL"), which include 20 episodes of successful tournaments which will be available initially on Lookhu.com's World Poker Channel. This acquisition has not yet closed and the Company is re-evaluating the acquisition.

We have entered into a revenue sharing agreement with Lookhu on Lookhu.com's World Poker Channel.

In December 2014, we entered into an agreement to acquire RealDeck, Inc. RealDeck is a gaming technology company with exclusive intellectual property rights and internet marketing expertise. RealDeck has been in the online poker game development space since 2006 and currently holds two issued patents that will bring a new level of integrity and transparency to the online poker industry.

The patented RealDeck poker platform provides poker players the ability to play real poker on their computer or internet enabled device with a live dealer and real cards, which creates a transparent and interactive poker experience emulating the real-card hand outcomes and the overall live-dealer experience playing live at a casino. The RealDeck system can host poker games bringing together players from anywhere in the world. A planned future release of the RealDeck software will include peer-to-peer (P2P) audio and video, features, which are also included in our patent filing. This component will allow players to host their Home Games with a live dealer, from our site with the ability to see and talk to their friends while they play in a secure and private setting.

RealDeck is one of the first complete poker systems ever to be patented. Online poker has been delivered in the same format since the inception of the industry on January 1, 1998. Since then, players have been anticipating the introduction of a "game changing" technology to the standard online poker platform such as the RealDeck technology provides. We expect to close this acqisaition during the second quarter of 2016.

In February 2016, we have entered into an agreement with Flowplay, Inc to develop CelebrityWorld.com. The term will thereafter automatically renew for one (1) year ("Renewal Term") and, together with the Initial Term and the Wind Down Period, and subject to earlier termination

We have signed (and will continue to sign) affiliate agreements with celebrities and individuals with high social media followings to promote CelebrityWorld.com. These celebrities will have a revenue share of revenues generated from their promotions.
