6) Describe the Issuer's Business, Products and Service & Description of the issuer's business operations;

On February 1, 2015 ValueRich, consummated a business purchase agreement to acquire 100% of the stock and ownership of Twin Vee Catamarans, Inc. Twin Vee Catamarans was originally founded in 1994, the company designs, manufactures and sells recreational and commercial twin-hull powerboats under the "Twin Vee" brand name. Over the past 22 years, Twin Vee has concentrated on perfecting the high-speed, twin-displacement hull design also known as a "catamaran powerboat."

From February 2015 through to the present, ValueRich divested much of its real estate holdings. The company has sold all its single-family lots located in the Ravello residential development and the Company's Visconti development lots are currently under contract with NVL Ryan Homes, a National homebuilder. The Visconti single-family lots are to be purchased under a contractual take down schedule over the next couple of years.

The sale of the real estate assets has positioned the Company to focus on its Twin Vee acquisition. Twin Vee PowerCats markets and sells its catamaran boats in the United States and abroad. Our boats are used for deep water, bay and lake fishing, water sports, as well as general recreational and pleasure boating. Twin Vee is one of the most recognized brand names in the catamaran powerboat category. The Twin Vee portfolio of PowerCats is manufactured to the highest specifications in quality, performance and styling.

Twin Vee boats, from hull to upholstery, are handcrafted by our skilled workforce at our corporate headquarters in Fort Pierce, Florida. Twin Vee occupies over 120,000 square feet of manufacturing space as well as 7 acres of land. We use only the highest quality materials from industry-preferred suppliers, and all of our boats are extensively tested prior to sale. We continue to make significant investments in improving design, engineering, manufacturing, and operational processes as we strive to build the highest quality boats.

We sell our boats through a network of independent dealers in North America. We have distribution and selling agreements with 18 dealers. Twin Vee is one of the top selling brands of Catamaran recreational powerboats in the United States. The Company believes by devoting significant time and resources to develop and improve the performance of its dealers, while also increasing the dealer network, the Company will significantly improve sales and distribution of its unique class of catamaran power boats.

C. Principal products or services, and their markets;

Our Twin Vee portfolio of boats is designed for the highest levels of performance, styling, and enjoyment for both recreational and commercial use.

- The Twin Vee Bay Cat - - 17, 19 and 22. The Bay Cat is geared towards the entry--level consumer seeking a premium performance boating experience. The Bay Cat line is priced significantly lower than our competitors' boats at retail prices ranging from approximately $18,000 to $50,000. We have strategically designed and priced the BayCat line to target the fast--growing entry--level customer group that is distinct from our traditional customer base, while maintaining our core Twin Vee brand attributes at profit margins comparable to our other offerings.

- The Twin Vee OceanCat - - 22, 26, 31 and 36 Ocean Cat Series. The Twin Vee Ocean Cat offers an affordable offshore fishing boat without sacrificing performance and reliability. Safer for the environment, the SE (Sports Edition) and TE (Tournament Edition) Series signals a move by Twin Vee to manufacture a line of boats using an advanced polymer resin which contains one--third less styrene than any other resin being used in boat manufacturing today. The new resin product has a reduced impact on the environment. From a manufacturing standpoint, this allows us to produce an environmentally positive boat that is lighter, stronger, and more durable than our competitors. The unique design of our hull allows us to power the E-- Series with less horsepower than our competitors when comparing similar sized boats. By using less horsepower, we are also reducing emissions and cutting fuel consumption.

- The Twin Vee Commercial and Pilot House. For divers, fishermen, and professional boaters who desire an enclosed cockpit, the Twin Vee Pilot House is unsurpassed for comfort and security. These Twin Vee models are designed to provide the comfort owners of our larger models have grown to know and appreciate for that long ride offshore – no matter the weather. Available with a number of customizable options, the Twin Vee Pilot House provides storage for electronics and gear, and may be outfitted with the cabin comforts sure to please all those onboard. For professionals like law enforcement, tow and rescue organizations, the Twin Vee Pilot House provides all weather protection for dry operation in difficult conditions.
