RE: CERRO DORADO, INC. (CDCH)
ADEQUATE CURRENT INFORMATION

OTC Markets Group, Inc.

We serve as counsel to Cerro Dorado, Inc., a corporation duly organized and existing under the laws of Nevada (the "Issuer"), in connection with general corporate and securities matters. We are providing this opinion to OTC Markets Group, Inc. ("OTC Markets Group") as to whether there is adequate current information available on the OTC Disclosure and News Service regarding the Issuer and other related matters. As such, OTC Markets Group is entitled to rely on this opinion in determining whether the Issuer has adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933, as amended (the "Securities Act").

The undersigned attorney is a U.S. resident and is licensed to practice law in the State of Utah, is permitted to practice before the United States Securities and Exchange Commission (the "SEC") and has not been prohibited from appearing or practicing before the SEC.

This opinion is limited to the laws of the United States and in rendering this opinion I have examined such corporate records and other documents and such questions of law as counsel considered necessary or appropriate for purposes of rendering this opinion, including but not limited to the following documents:

1. (a) Articles of Incorporation as filed with the Secretary of State of Florida on September 23, 1988 under the name of B.C. Realty Partners, Inc., (b) Articles of Amendment as filed with the Secretary of State of Florida changing the name of the Issuer to Weather All Manufacturing USA, Inc., and then to Cerro Dorado, Inc., (c) Articles of Merger filed with the Secretary of State of Nevada merging Cerro Dorado, Inc., the Florida corporation, into Cerro Dorado, Inc., a Nevada corporation, thus changing the Issuer's domicile from Florida to Nevada, and (d) such other amendments thereafter filed with the Secretary of State of Nevada;

2. The Issuer's Shareholder List and Stock Issuance Control Log for the period from January 1, 2015 through April 22, 2016;

3. The Issuer's Annual Report for the period ending December 31, 2015 and financial statements which were incorporated by reference;

4. Affidavits of the Sole Officer and Director and 5% Shareholders of the Issuer with respect to investigatory proceedings by any federal or state regulatory authority for any violation of federal or state securities law with respect to the Issuer and/or the Officer and Director; and

5. Releases, website, and other substantive materials regarding the Issuer.

I have assumed that (i) all information contained in all documents reviewed by me is true and correct, (ii) all signatures on all documents reviewed by me are genuine, (iii) all documents submitted to me as originals are true and complete, (iv) all documents submitted to me as copies are true and complete copies of the originals thereof, and (v) each natural person signing any document reviewed by me had the legal capacity to do so. As to matters of fact, I have relied on information obtained from public officials, officers of the Issuer and other sources, and these sources are believed to be reliable.

The Issuer posted its Annual Report for the year ending December 31, 2015 to the OTC Disclosure and News Services on April 1, 2016 (the "Information"). I have reviewed the Information published by the Issuer on the OTC Disclosure and News Service and, after a reasonable investigation, it is my opinion that that the Information (i) constitutes "adequate current information" concerning the Issuer's securities and is "available", within the meaning of Rule 144(c)(2) under the Securities Act, (ii) the Information includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for such Issuer's securities under Rule 15c2-11 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), (iii) complies as to form with the OTC Markets Group's Guidelines for Providing Adequate Current Information, which are located on the Internet at www.otcmarkets.com, and (iv) the Information has been posted through the OTC Disclosure and News Service.

Other matters relating to this opinion are as follows:

1. The party responsible for preparation of the unaudited financial statements contained in the Information is Stayner, Bates & Jensen, P.C. and I have spoken with and confirmed with them that although the Company's financial statements are not audited, they are materially accurate and prepared in accordance with accounting principles generally accepted in the United States of America. We have also searched the Commission's EDGAR filing system and determined that the Company has not made filings with the Commission.

2. The Issuer's transfer agent is American Registrar & Transfer Company (the "Transfer Agent"), and is registered with the SEC. I examined and relied on information provided to me by the Transfer Agent in the form of a list of Shareholders to confirm the number of issued and outstanding securities of the Issuer as set forth in the Information.

3. I have (i) personally met and talked with the current sole officer and director of the Issuer, (ii) reviewed the Information, as amended, published by the Issuer through the OTC Disclosure and News Service and (iii) discussed the Information with management and the directors of the Issuer.

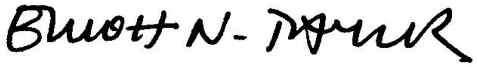

4. To the best of my knowledge, after inquiry of management and the directors of the Issuer, neither the Issuer of the securities, any 5% holder of such securities, nor the issuer's counsel is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

This opinion letter is governed by, and shall be interpreted in accordance with, the Legal Opinion Accord (the "Accord") of the ABA Section of Business Law (1991). As a consequence, it is subject to a number of qualifications, exceptions, definitions, limitations on coverage and other limitations, all as more particularly described in the Accord, including the General Qualifications and the Equitable Principles Limitation, and this opinion letter should be read in conjunction therewith.

No person other than OTC Markets Group is entitled to rely on this opinion, and I hereby grant OTC Markets Group full and complete permission and rights to publish this opinion on the OTC Disclosure and News Service for viewing by the public and regulators.

Sincerely,

TAYLOR AND ASSOCIATES, INC.
