Item 5. Full Description of Material Change

The Issuer reports that, on April 14, 2016, it closed the settlement of $687,000.00 in debt related to certain accounts payable to Cardero Resource Corp. and a portion of the principal sum of certain outstanding loans originally made to the Issuer in 2011. The Issuer issued 2,000,000 common shares at a deemed price of $0.21 in settlement of such debt. The common shares issued have a hold period in Canada expiring on August 14, 2016.

The foregoing securities have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "1933 Act") or any applicable state securities laws and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the 1933 Act) or persons in the United States absent registration or an applicable exemption from such registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the foregoing securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Cautionary Note Regarding Forward-Looking Statements

This material change report contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and US securities legislation. All statements, other than statements of historical fact, included herein including, without limitation, statements regarding the anticipated business plans of the Issuer, are forward-looking statements. Although the Issuer believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar

expressions, or are those, which, by their nature, refer to future events. The Issuer cautions investors that any forward-looking statements by the Issuer or any of its joint venture partners are not guarantees of future results or performance, and that actual results may differ materially from those in forward looking statements as a result of various factors, including, but not limited to, the state of the financial markets for the Issuer's equity securities, the state of the commodity markets generally, variations in the nature, quality and quantity of any mineral deposits that may be located, variations in the market price of any mineral products the Issuer may produce or plan to produce, the inability of the Issuer to obtain any necessary permits, consents or authorizations required for its or their activities, the inability of the Issuer to produce minerals from their properties successfully or profitably, to continue its projected growth, to raise the necessary capital or to be fully able to implement its business strategies, and other risks and uncertainties disclosed in the Issuer's latest interim Management Discussion and Analysis and filed with certain securities commissions in Canada. All of the Issuer's Canadian public disclosure filings may be accessed via www.sedar.com and readers are urged to review these materials, including the technical reports filed with respect to the Issuer's mineral properties.
