6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

- A. a description of the issuer's business operations;

NuVim is a provider of dietary supplement healthy beverages since the year 2000. During the past 15 years NuVim has manufactured, distributed, and marketed beverages in both powder mix and ready to drink form. Currently sales have been confined to the powder mix exclusively. The consumer benefits delivered include immune system enhancement, muscle flexibility, and bone health.

The products will be improved through a new reformulation with consumer benefits of heightened physical energy, mental alertness, muscle flexibility, bone health, and immune system performance. Professionals in the field of nutrition and product development have been engaged to reformulate the products. In addition to the added consumer benefits, the reformulated products are designed to fulfill the benefit promises more quickly. Most consumers are expected to feel the energy heightened physical energy difference within the first 24 hours and the other NuVim benefits after daily consumption over the course of time.

The powder mix form will be the first products to market; they will be marketed through the internet and retail outlets.

Since moving to Delaware in 2011, NuVim has continued to achieve sufficient sales and credit to continue operations. All sales reflected in the 2014 and 2015 are of NuVim's three varieties of powder mix: vanilla, chocolate, and strawberry.
