Notes to Financial Statements
June 30, 2016
(Unaudited)

1. DESCRIPTION OF BUSINESS AND BASIS OF PRESENTATION

Beverly Hills Group, Inc. (“the Company”) was incorporated in the State of Nevada on March 2, 2000 as The Motion Picture Hall of Fame, Inc. in order to create, develop and manage a themed attraction dedicated to the history and art of making motion pictures, and to create, build and maintain a Motion Picture Hall of Fame (the “Themed Attraction Business”).

On August 22 2014, the Company acquired assets and intellectual property related to a line of beauty and skin care and Nutraceuticals products (the “Cosmetic Assets”) that the Company intends to launch under the name “Latitud 32.” The Company intends to use these products as a base line portfolio and to continue researching, developing and launching natural ingredient products. Immediately after acquiring the Cosmetic Assets, the Company sold all assets and intellectual property related to the Themed Attraction Business. Accordingly, the Company changed its operational focus to developing the products related to the Cosmetic Assets and discontinued its operation in the Themed Attraction Business upon transfer the related assets and intellectual property.

On July 8, 2014, the Company effected a 1-for-30 reverse stock split of its issued and outstanding shares of common stock. The par value and number of authorized shares of the common stock remained unchanged. All references in the accompanying financial statements as to the Company’s equity structure and to the number of shares outstanding and per-share amounts have been restated to reflect in the indicated amendment to the articles of incorporation and to the 1:30 reverse stock split.

On September 18, 2014, the Company approved the structuring of two subsidiaries, namely Beverly Hills Group Mexico Inc. and Beverly Hills Group Products Inc. As of December 31, 2014, the two subsidiaries are not capitalized and the Company does not possess any equity ownership or investment in these entities. Accordingly, the accounts of these two entities are not consolidated.

On October 1, 2014, the Company approved an amendment to its articles of incorporation to increase the authorized common and preferred shares from 300,000,000 shares to 500,000,000 shares and from 0 share to 25,000,000 shares, respectively. This amendment has not been filed with the Nevada Secretary of State; therefore, it is not effected as of June 30, 2016.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents

The Company considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.

Property and Equipment

Property and equipment are stated at cost. Expenditures for maintenance and repairs are charged to earnings as incurred. Additions, renewals and betterments are capitalized. When property and equipment are retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the respective accounts, and a gain or loss is included in operations. Depreciation of property and equipment is provided using the straight-line method for substantially all assets with estimated lives of five to seven years. As of June 30, 2016 the Company had no property and equipment.

Use of Estimates

The Preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Company accounts for its income taxes under the provisions of ASC Topic 740, "Income Taxes." The method of accounting for income taxes under ASC 740 is an asset and liability method. The asset and liability method requires the recognition of deferred tax liabilities and assets for the expected future tax consequences of temporary differences between tax bases and financial reporting bases of other assets and liabilities. The Company had no material unrecognized income tax assets or liabilities for the three months ended June 30, 2016. The Company recognizes income tax interest and penalties as a separately identified component of general and administrative expense. During the three months ended June 30, 2016, there were no income tax, or related interest and penalty items in the income statement, or liabilities on the balance sheet.
