Item 5. Financial Statements.

The unaudited financial statements for the third quarter ending June 30, 2016 are being filed contemporaneously herewith under the title "Quarterly Report".

Item 6. Describe the Issuer's Business, Products and Services.

A. Description of the Issuer's Business Operations:

The effective August 20, 2012 Company's operations were planned to consist of investing in oil and gas properties. This will include the future development of existing natural gas (NG), and natural gas liquids (NGLs) production and the midstream processing and mobile road distribution of Compressed Natural Gas (CNG).

Due to the current price of natural gas, the lack of profitability and difficulty in attracting capital to this sector the Company has transitioned to other interests in order to maintain its viability.

As of March 1, 2016 the Company has signed a definitive merger agreement with Far East Ventures Holdings, Ltd, ("Far East"), a British Virgin Islands incorporated company which operates a high growth investment platform in South East Asia. Far East's principal activities include a fully operational gold mine in Northern Indonesia and a recently structured joint venture for cement and building products based in Philippines.

B. Date and State (or jurisdiction) of Incorporation:

Paradise Ridge Hydrocarbons, Inc. was incorporated in the State of Florida on August 10, 2004 as Homeland Integrated Systems, Inc. On November 2008, it changed its name to Direct View Technology Group, Inc. In July 2009, the Company changed its name to Green Bridge Technologies International, Inc. Finally, on August 20, 2012 it changed its name to Paradise Ridge Hydrocarbons, Inc.

C. The Issuer's Primary and Secondary SIC Codes:

1041 – Gold Ores
3241 – Cement, Hydraulic
3271 – Concrete Block & Brick

D. The Issuer's Fiscal Year End:

The Company's fiscal year end is September 30.

E. Principal Products or services and their markets:

The effective August 20, 2012 Company's operations were planned to consist of investing in oil and gas properties.
