Forward Looking Statements

This MD&A contains certain statements that may constitute "forward-looking statements". Forward-looking statements include but are not limited to, statements regarding future business and financing plans. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions, or which by their nature refer to future events. The Company cautions investors that any forward-looking statements by the Company are not guarantees of future performance, and that actual results may differ materially from those in forward looking statements as a result of various factors, including, but not limited to, the Company's ability to complete a Qualifying Transaction, to raise the necessary capital or to be fully able to implement its business strategies.

Historical results of operations and trends that may be inferred from this MD&A may not necessarily indicate future results from operations. In particular, the current state of the global securities markets may cause significant reductions in the price of the Company's securities and render it difficult or impossible for the Company to raise the funds necessary to continue operations.

All of the Company's public disclosure filings, including its most recent management information circular, material change reports, press releases and other information, may be accessed via www.sedar.com and readers are urged to review these materials.

Results of Operations

Three Months Ended October 31, 2015 Compared to Three Months Ended July 31, 2015

During the three months ended October 31, 2015 ("Q1/2016") the Company reported a net loss of $120,373 ($0.00 per share) compared to a net loss of $182,952 ($0.01 per share) for the three months ended July 31, 2015 ("Q4/2015"), a decrease in loss of $62,579. The decrease in loss Q1/2016 was primarily attributed to a $119,010 decrease in share-based compensation. During Q1/2016 the Company recorded $54,657 share-based compensation on the granting and partial vesting of 760,000 share options compared to Q4/2015 when the Company recorded stock-based compensation of $173,667 on the granting and vesting relating to 967,500 share options. The decrease in loss Q1/2016 was partially offset by:

(i) the recognition in Q1/2016 of $6,800 for audit expenses incurred for the Company's July 31, 2015 year-end financial statements; and
(ii) engagement of Chalce to consult and review opportunities in the oil and gas sector in Mexico. During Q1/2016 the Company was billed a total of $43,500 by Chalce.

Three Months Ended October 31, 2015 Compared to Three Months Ended October 31, 2014

During the three months ended October 31, 2015 (the "2015 period") the Company reported a net loss of $120,373 ($0.00 per share), compared to a net loss of $12,190 ($0.01 per share) for the three months ended October 31, 2014 (the "2014 period"), an increase in loss of $108,183. The increase in loss in the 2015 period is mainly due to increased corporate activities conducted during the 2015 period, the engagement of Chalce for consulting and share-based compensation. Specific expenses of note are as follows:

(i) $8,300 (2014 - $4,500) was incurred for bookkeeping, accounting, administration and corporate filing services provided by Chase Management Ltd. ("Chase"), a private company owned by Mr. Nick DeMare. See also "Related Party Transactions";
(ii) during the 2015 period the Company was billed a total of $43,500 by Chalce for consulting services; and
(iii) recorded share-based compensation of $54,657 in the 2015 period on the granting and vesting of 760,000 share options. No share options were granted during the 2014 period.
