Dear Sirs:

Re: Artha Resources Corporation

We refer to the Management Information Circular (the 'Circular') of Artha Resources Corporation (the "Company") dated April 24, 2015 in respect to the acquisition by Artha of all of the outstanding common shares of Cardero Argentina, S.A. from Cardero Resource Corp.

We consent to being named in the Circular, and to the inclusion within the Circular of our report dated May 27, 2013 to the directors of the Company on the following financial statements:

- Statement of financial position as at December 31, 2012;
- Statements of loss and comprehensive loss, changes in equity and cash flows for the year ended September 30, 2012, and a summary of significant accounting policies and other explanatory information.

We report that we have read the Circular and all information therein and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the financial statements upon which we have reported or that are within our knowledge as a result of our audit of such financial statements. We have complied with Canadian generally accepted auditing standards for an auditor's consent to the use of a report of the auditor included in an offering document, which does not constitute an audit or review of the Circular as these terms are described in the CPA Canada Handbook – Assurance.

Yours truly
