Centenera also issued 23,743,781 common shares to Cardero in consideration for services provided by Cardero to Centenera in connection with the transaction, including the negotiation and settlement of the transaction terms. In conjunction with the closing of the transaction, Centenera closed a non-brokered, private placement of 9,500,000 units at the price of $0.10 per unit. Each unit consists of one common share in the capital of Centenera and one common share purchase warrant, each warrant entitling the holder to purchase one common share for $0.15 for a period of 24 months from the closing of the offering.

In conjunction with the closing of the transaction, the company changed its name from "Artha Resources Corporation" to "Centenera Mining Corporation". Furthermore, certain directors and officers of the company resigned.
