Dear Sirs:

Re: Notice Regarding Proposed Change of Auditor
Pursuant to National Instruction 51-102

Please be advised that at the request of the board of directors of Terra Nova Energy Ltd. (the "Company"), the Company's auditor KPMG LLP, Chartered Professional Accountants, 205 5th Avenue SW, Suite 3100, Calgary, AB T2P 4B9, (the "Former Auditor") resigned from office at the Company's request effective August 17, 2016 and that Dale Matheson Carr-Hilton LaBonte LLP, Chartered Professional Accountants of 1140 West Pender Street #1500, Vancouver, BC V6E 4G1, (the "Successor Auditor") has agreed to act as the Company's auditor effective August 17, 2016.

The Company confirms that there were no reservations in the auditor's reports of the Former Auditor in connection with:

(a) the Company's financial statements for the two most recently completed fiscal years; and

(b) any period subsequent to the most recently completed period for which an audit report was used and preceding the date of expiry of the Former Auditor's term of office.

In the opinion of the Company, prior to the resignation of the Former Auditor, there were no "reportable events". A "reportable event" is an occurrence in the relationship between the Company and the Former Auditor which may have been a contributing factor in the resignation of the Former Auditor. (A "reportable event" is fully defined in section 4.11 of National Instrument 51-102 of the Canadian Securities Administrators.)

The resignation of the Former Auditor and the recommendation to appoint the Successor Auditor, as well as the contents of this notice and the enclosed response letters from the Former Auditor and the Successor Auditor have been approved by the Company's board of directors.

Yours truly,

TERRA NOVA ENERGY LTD.
