All information furnished by the bank in the narrative statement must be accurate and not misleading. Appropriate efforts shall be taken by the submitting bank to ensure the statement's accuracy.

If, subsequent to the original submission, material changes are submitted for the data reported in the Reports of Condition and Income, the existing narrative statement will be deleted from the files, and from disclosure; the bank, at its option, may replace it with a statement appropriate to the amended data.

The optional narrative statement will appear in agency records and in release to the public exactly as submitted (or amended as described in the preceding paragraph) by the management of the bank (except for the truncation of statements exceeding the 750-character limit described above). Note: in Sched RC-N Line 1.e.(2) Col A (P/D 30 - 89 days, still accruing) we reported P/D loans of \$10.3 million at 12/31/16, which includes 1 loan for \$10.1 million that was 31 days P/D as of 12/31/2016. The borrower advised us that the late pymt was due to an oversight by the borrower's asst. to adequately fund the ACH account used to fund the loan. The borrower then made Dec.'s pymt on 1/5/17. The borrower made Jan.'s pymt timely. The loan is now current. This is the 2nd time the borrower did not make their loan pymt within the 10-day grace period and the 1st time the borrower didn't make their pymt within 30 days. We met with the borrower, he has made us comfortable with his assertion that the 2 delayed pymts were admin. errors.
