5) Financial Statements

Provide the financial statements described below for the most recent fiscal year end or quarter end to maintain qualification for the OTC Pink Current Information tier. For the initial disclosure statement (qualifying for Current Information for the first time) please provide reports for the two previous fiscal years and any interim periods.

- A. Balance sheet;
- B. Statement of income;
- C. Statement of cash flows;
- D. Financial notes; and
- E. Audit letter, if audited

The financial statements requested pursuant to this item shall be prepared in accordance with US GAAP by persons with sufficient financial skills.

You may either (i) attach/append the financial statements to this disclosure statement or (ii) post such financial statements through the OTC Disclosure & News Service as a separate report using the appropriate report name for the applicable period end. ("Annual Report," "Quarterly Report" or "Interim Report").

If you choose to publish the financial reports separately as described in part (ii) above, you must state in the accompanying disclosure statement that such financial statements are incorporated by reference. You may reference the document(s) containing the required financial statements by indicating the document name, period end date, and the date that it was posted to otcq.com in the field below.

The following financial statements (unaudited) are uploaded as separate documents incorporated herein by reference for the period ended December 31, 2016. They can be found through the OTC Disclosure and News Service at <http://www.otcmarkets.com/stock/ECSL/Filings>.

- 1. Consolidated Balance Sheet as of December 31, 2016;
- 2. Consolidated Statement of Operations for the period ended December 31, 2016;
- 3. Consolidated Statement of Changes in Shareholders' Deficit for the period ended December 31, 2016;
- 4. Consolidated Statement of Cash Flows for the period ended December 31, 2016;
- 5. Notes to Financial Statements for the period ended December 31, 2016.

Information contained in a Financial Report is considered current until the due date for the subsequent Financial Report. To remain in the OTC Pink Current Information tier, a company must post its Annual Report within 90 days from its fiscal year-end date and Quarterly Reports within 45 days of its fiscal quarter-end date.

6) Describe the Issuer's Business, Products and Services

Describe the issuer's business so a potential investor can clearly understand the company. In answering this item, please include the following:

- A. a description of the issuer's business operations;

The Issuer is currently an integrated healthcare company that operates its business through two divisions: Healthcare Technology Division and the Healthcare Services Division. Encounter Care Solutions, Inc.'s operating businesses offer a broad range of proprietary healthcare technology, products and services that address several very sizeable and rapidly growing target markets, including: the Telemedicine Market, Healthcare Information Technology Market, and Home Healthcare Market. The Issuer is the parent company of a wholly owned subsidiary known as Building Blocks Pediatric Home Health. Building Blocks is a high-tech home care service exclusively for children, from infants to adolescents. BB's suite of services includes: Skilled Nursing, Home Infusion, Home Medical Equipment, Managed Care, & Ancillary Services. Building Blocks has been included in the attached financial statements. The issuer has also started an energy division named Cyber Fuels a wholly owned subsidiary which focuses on the alternative fuels market.

B. Date and State (or Jurisdiction) of Incorporation:

The Issuer is a Delaware corporation organized December, 1996 under the name Galaxy Ventures, Inc.

C. the issuer's primary and secondary SIC Codes;

The Issuer's primary and secondary SIC Codes are: 3845 and 8082

D. the issuer's fiscal year end date;

The Issuer has a fiscal year end at June 30th.

E. principal products or services, and their markets;

A. Electronic House Call (EHC) is a patent protected, best-in-class remote patient monitoring system that can be customized remotely and installed either wired or wirelessly. ECH can be used in a variety of locations from a care center to the patient's home.

CyberCare Health Network is a medical data information exchange/network. It will focus on managing the Healthcare initiatives of EncounterCare Solutions. CyberCare Health Network will begin marketing a new product for drug and alcohol addiction treatment and recovery which will incorporate the capabilities of the Electronic House Call Technology.

Building Blocks Pediatric Home Health Services (BB) is a high-tech home care service exclusively for children, from infants to adolescents. BB's suite of services includes: Skilled Nursing, Home Infusion, Home Medical Equipment, Managed Care, & Ancillary Services. The market opportunity for BB is enormous, and it has signed an important agreement with Kaiser Permanente and is expanding into the Northern California region.

Cyberfuels Inc offers alternative fuel products such as Singular 96 and EMG 96. The company also currently sells fuel additives which are sold through their website cyberfuelsinc.com under the names Dynamo Octane Booster and Dynamo Cetane Booster. Additionally the company has entered the onsite retail market with its dynamo product line.

Encountercare Solution, Inc. is a market and technological leader in providing comprehensive healthcare solutions that addresses numerous healthcare needs in today's dynamic and ever-changing market.

B. Electronic House Call is currently being distributed through contracts maintained by Building Blocks.

C. CyberCare Health Network has already been developed and will start to be deployed in October of 2012.

D. The Issuer's Integrated Business Model creates outstanding competitive advantages in the healthcare marketplace because it provides numerous product and service synergies as well as economies of scale to all levels of its potential partners and customers (patients, physicians, and providers).

E. The Issuer has agreements with Authentidate Holding Corp. and Coghlins Companies Inc. to supply and manufacture the Electronic House Call.

F. The Issuer has contracts with the following health insurance companies: Monarch, Memorial Health Services, Blue Shield, Universal Care, Aetna, Blue Cross, Pacific Care, Tri West, and Molina but there is no dependence on a single client.

G. Authentidate Holding Corp. has a licensing agreement with the Issuer to use and distribute the Electronic House Call technology for an unspecified period of time. There are also employment contracts with the two officers of the corporation.

H. The Remote patient monitoring suite of products has FDA 510K approval K090801 and Pat. No 598719. There is also a newly announced sensor for EHC for use in substance abuse recovery which is currently awaiting 510K approval from the FDA.

7) Describe the Issuer's Facilities

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer, give the location of the principal plants and other property of the issuer and describe the condition of the properties. If the issuer does not have complete ownership or control of the property (for example, if others also own the property or if there is a mortgage on the property), describe the limitations on the ownership.

If the issuer leases any assets, properties or facilities, clearly describe them as above and the terms of their leases.
