Zerez Holdings Corporation
Notes to Financial Statements
April 1 – June 30, 2017
Internally Prepared By Management

Note 1. Nature of Operations and Business Activity

Business Activity

Zerez Holdings, an Oklahoma Corporation, is also registered in California. The company majority control block changed hands on October 21, 2016 and new management took over. The company acquired Next Generation Farming, Inc., a Nevada Corporation also registered in California, which operates as a wholly owned subsidiary.
The company's target market is the transitional organic agriculture business for food, specifically vegetables and leafy greens; and several segments of the explosive cannabis market. The company's business plan is to promote the sales of products and services through its subsidiary Next Generation Farming Inc., and to pursue other business opportunities in these market segments by introducing its own intellectual property inventions, strategic alliances, and by making key acquisitions that provide the company revenue and strategic positioning to be a highly respected and dominating company in its target markets.

Revenue Results

The Company reported a complete turnaround and annual net profit for its fiscal year ending 2016. For the quarter ending June 30, 2017 company revenue is $2,041,557 compared to $24,000 for the same quarter in 2016, under previous business operations and management.

Next Generation Farming Inc., contributed the majority of revenues through sales of products, consulting and installation services, and subscription services. The company has completely self-financed its growth to date by making profitable sales, controlling costs, and negotiating favorable payment terms into its sales contracts.

Inventory & Costs of Goods Sold

The company signed a strategic manufacturing agreement with a Northern California company in the first quarter, and made the necessary investments to set up two in-house manufacturing lines for certain components. The company considered this a mission critical decision due to continued delivery problems from key suppliers. The newly operating manufacturing capacity has reduced delivery times, increased production and sales capacity and increased profit margins by more than 100% on certain components. As of June 30, 2017, the company's manufacturing capacity is approximately $400 million per year and delivery times are 4-6 weeks faster than any identified market competitor.

Accounts Receivable
Company accounts receivable are derived from current customer invoice balances on current sales.

The Company re-evaluates its estimates on an ongoing basis. Actual results may vary from those estimates.

As of year ending 2015, the company reported $736,435 in outstanding liabilities and notes payable. As of year ending 2016, the company reported $302,995 in notes payable. The other liabilities totaling $651,848 consisted of a long term lease in the amount of $600,000 associated with offsetting revenue commitments of $900,000. Additional liabilities consisted of current accounts payable for materials and inventory and a loan of $10,000 from company officers.

As of June 30, 2017, convertible promissory notes payable are $348,292, including a disputed note in the amount of $25,000 that the company has filed legal action to resolve the dispute.

Note 7. Going Concern

The Company's concern is to increase revenue and profits and pursue business opportunities to maximize shareholder value. The financial statements are prepared with the assumption that the company will continue as an ongoing concern.

Commented [AA3]: But are financial statements prepared assuming company going concern

Note 8. Other Notes to Financial Statements

The company has continued to conduct internal due diligence on previous operations and financial statements. In the financial statements dated June 30, 2017, the following items have been changed to properly reflect current financial status:

- The five year land lease has been removed as an asset and a liability on the balance sheet. Under advisement, the company has elected to report the long term lease income and expense as an ordinary item in the profit and loss statements.
- The current financial statements do not reflect an allowance for income tax expense, as the company does not yet know what the fiscal year results will be and what effect the net operating loss will have on income tax liabilities.
- An internal audit of convertible promissory notes has been conducted and the correct amount updated as of June 30, 2017.
- The company added $60,246 as the capital stock value to reflect the value of shares outstanding at par value.
- The company corrected the balance sheet to reflect the net operating loss carryforward available to it through the majority acquisition of previous management.
- The company entered employment agreements and stock grants with key personnel as of November 1, 2016. The company recorded board resolutions at that time, but has not issued restricted stock due to pending request for name and symbol change with FINRA.

END NOTES TO FINANCIALS

ITEM 6. ISSUER'S BUSINESS, PRODUCTS, AND SERVICES AND HISTORY

Date of Incorporation and Corporate History

The Company was incorporated in the State of Georgia on August 2, 2005 under the name Nano FM, Inc. On August 24, 2005, Nano FM, Inc. filed Articles of Amendment with the Secretary of State of Georgia changing its corporate name to Crescent Hill Capital Corporation ("CHCC").

Commented [AA4]: This should be included at beginning as one of predecessor names as should CHCC

On November 5, 2013, CHCC implemented a domicile change from Georgia to Oklahoma by merging into Crescent Hill Capital Corporation, an Oklahoma corporation. On November 5, 2013, CHCC completed the domicile change from Georgia to Oklahoma by filing a Certificate of Merger with the Oklahoma Secretary of State.

On November 5, 2013, the Company underwent a Statutory A Reorganization in compliance with Section 368(a)(1)(B) of the Internal Revenue Code of 1986, as amended, and pursuant to Section 1081(g) of the Oklahoma General Corporation Act, as a tax-free reorganization. Pursuant to the reorganization, on November 5, 2013, CHCC caused Definitive Rest Mattress Company ("Definitive Rest (OK)") to be incorporated in the state of Oklahoma, as a direct wholly-owned subsidiary. Concurrently, Definitive Rest (OK) caused Crescent Hill Capital Merger Corp. ("CHCMC (OK)") to be incorporated, as a direct wholly-owned subsidiary. Under the terms of the Reorganization, Crescent Hill Capital Corporation was merged with and into CHCMC (OK). Upon consummation of the Reorganization, Definitive Rest (OK) was the surviving corporation, and Crescent Hill Capital Corporation ceased to exist. Additionally, each issued and outstanding equity of Crescent Hill was exchanged for an equivalent equity of Definitive Rest (OK) on a one for one basis. The issued and outstanding shares of Definitive Rest (OK) have the same designations, rights, powers and preferences, and qualifications, limitations and restrictions as the equities of Crescent Hill being converted. The existing shares of CHCMC (OK) were cancelled on November 5, 2013.

On November 5, 2013, Definitive Rest Mattress Company, a California corporation, and the owners of 100% of its issued and outstanding stock, and Definitive Rest (OK), entered into a Share Exchange Agreement, wherein all the shares of Definitive Rest (CA) were exchanged for 45,780,000 restricted shares of Definitive Rest (OK). As a part of the transaction, the shareholders of Definitive Rest (CA) acquired a controlling interest in the Company. For accounting purposes, the transaction is accounted for as a recapitalization of Definitive Rest (CA) pursuant to which Definitive Rest (CA) is treated as the surviving and continuing entity although Definitive Rest (OK) is the legal acquirer rather than a reverse acquisition. Accordingly, the Company's historical financial statements are those of Definitive Rest (CA) immediately following the consummation of the acquisition. Definitive Rest (OK) concurrently determined and that its ownership of CHCMC (OK) was of no further value and returned the newly issued shares evidencing its ownership in CHCMC (OK) to the Board of Directors of CHCMC (OK) for cancellation. Definitive Rest (OK) has no ownership, interests, or control over CHCMC (OK) and never managed, controlled or capitalized CHCMC (OK).

On February 28, 2014, the Company filed Articles of Amendment with the State of Oklahoma to increase the authorized capital stock of the Company from 200,000,000 shares of common stock to 975,000,000 shares of common stock. Thus, the Company now has 1,025,000,000 total shares authorized; 975,000,000 shares of common stock, par value $0.0001 and 50,000,000 shares of preferred stock.

On October 21, 2016 the transaction completed and new majority owners and officers took over operations of the company. All financial statements provided in the September 30, 2016 report were provided by previous management and the new majority owners and officers were indemnified and held harmless for all previous actions and reports of the company and its officers prior to the purchase. In addition, a right of rescission was part of the contract and available to the new officers and Next Generation Farming Inc., should a material event occur from any action prior to taking over operations.
