ITEM 6 DESCRIBE THE ISSUER'S BUSINESS, PRODUCTS AND SERVICES

Description of the issuer's business operations:

The Issuer was incorporated on February 25, 1998 in the state of Nevada as The Silk Road Restaurant Group, Inc. On May 7, 1998, the Issuer changed its name to Silk Road Entertainment, Inc. The Company is developing a software program that will have the capacity to integrate a customer data base and create a targeted marketing listing of potential clients.

Silk Road Entertainment, Inc. with its office located at 6077 S. Fort Apache, Suite 140, Las Vegas, NV 89148, is a company dedicated to independently providing marketing programs. The Company will utilize its own unique products and services with its specialized advertising plans directed to the consumer market for both Public and Private Companies.

The Company entered the development stage of activity on January 1, 2001. Prior to that time, the Company had revenue generating operations in the sale and marketing of technology-based and location based entertainment program themes for the restaurant industry.

The Company operates in an industry that is subject to rapid change. The Company's operations will be subject to significant risk and uncertainties including financial, operational, technological, and other risks, including the potential risk of business failure.

The ability of the Company to succeed is dependent on the successful execution of Management's plans, which include the development of its software, eventual sales of its services, further implementation of its business plan and continuing to raise funds through debt or equity financings. The Company will likely need to rely upon debt or equity financing in order to ensure the continuing existence of the business.

On March 22, 2017, the Company entered into an agreement wherein it will own 51% of a company to be formed. The new company was formed and is named Real Intel Data, Inc. (RIDI) a Nevada corporation. (RIDI) is the exclusive worldwide licensee of intellectual property and other assets that will be used by Silk Road Entertainment, Inc. to enhance it's software distribution, data mining, further software development and expand it's information services. The Company expects to benefit from this technology within the next two quarters. The Company has not been activated as of September 30, 2017.

The accompanying unaudited financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business.

The Issuer's primary and secondary SIC Codes are 8742 and 7370.

The Issuer's year end date is December 31.

The Issuer is dedicated to independently providing marketing programs. It will target interest-generating consumer products and offer both traditional and non-traditional ways for companies to expand their visibility. The Company is creating specific tailor-made plans and will allow us to joint venture with our customers, through our marketing expertise and access to vast databases. The Company can cover the direct marketing costs allowing our customers to drop-ship their product(s) and or market their services under a split revenue agreement between our companies.

ITEM 7 DESCRIBE THE ISSUER'S FACILITIES
