

CERTIFICATE OF QUALIFIED PERSON

I, Peter Oshust, P.Geol. am employed as a Principal Geologist with Amec Foster Wheeler Americas Ltd., a Wood Company (Amec Foster Wheeler).

This certificate applies to the technical report titled “NI 43-101 Technical Report on the El Alacran Project, Department of Cordoba, Colombia”, that has an effective date of 10 April 2018 (the “technical report”).

I am a member of Engineers and Geoscientists British Columbia and of the Association of Professional Geoscientists of Ontario. I graduated from Brandon University with a Bachelor of Science (Specialist) degree in Geology and Economics in 1987.

I have practiced in my profession since 1987 and have been involved in geological modelling, and resource estimation for base and precious metals and diamond deposits across North America and in South America and Asia, since 2001.

As a result of my experience and qualifications, I am a Qualified Person as defined in National Instrument 43–101 Standards of Disclosure for Mineral Projects (NI 43–101).

I visited the El Alacran property 23 to 27 October 2017.

I am responsible for Sections 1, 14, and 25 of the technical report.

I am independent of Cordoba Minerals Corp. as independence is described by Section 1.5 of NI 43–101.

I have read NI 43–101 and the sections of the technical report for which I am responsible have been prepared in compliance with that Instrument.

As of the effective date of the technical report, to the best of my knowledge, information and belief, the sections of the technical report for which I am responsible contain all scientific and technical information that is required to be disclosed to make those sections of the technical report not misleading.

Dated: 10 April 2018

“Signed and sealed”

Peter Oshust, P.Geol.
