timely manner.

6) Describe the Issuer's Business, Products and Services

A. A description of Humbles business operations

1. Humble is an oil and gas production company. Natural gas is 85% of its production. 90% Its oil and gas products are sold through pipelines and requires no selling on the part of Humble.

2.The Company has a unique Business Plan in that it pays no salaries

Contract Labor Only), no secured bank loans, operates no wells (Too management Intensive), outsources geology and drilling functions.

3. Humble is participating in the drilling of 20 wells in the Haynesville Shale in Louisiana. The last 4 well came in at 115 million cubic feet a day. Humble has a small interest in each well and is paying for the drilling expense out of cash flow. Wells are also being drilled in Kingfisher and Garman County, OK. All of these wells are Horizontally drilled and chemically fractured. The longest drilled is 21,000 feet.
4. The last rankings of 150 public Energy companies by THE OIL & GAS JOURNAL Ranks HUMBLE AT 121 in asset value and 85th in profits.
5. Humble has 2 Divisions that are of interest. ATTI is a dehumidification company that takes moisture out of the air and makes the compressor 27% more efficient. The second division is a “Power Klean” product that cleans gasoline and diesel engines that makes them run cleaner, with less ware and cleaner for the environment.

   The company owns coal reserves in fee simple title interest held as investments by the ownership of two limited partnerships.

B. **Date of Incorporation**

Year:	**State of:**
2008	Nevada

C, **the issuer’s secondary and primary SIC Codes.**

secondary 4924, **primary** 1311.

D. **the issuer’s fiscal year end date**

Humbles year end is calendar year December 31 and regular quarterlies

E. **principal products and services, and their markets**

oil and natural gas is mostly sold into a pipeline or a truck for oil or liquids all arrangements are made by the operators.

The dehumidification product is sold to businesses that need humidity reduction such as Cinemark movie theaters, Delphi the parts supplier for General Motors and restaurants such as Whataburger, and Wendy’s . “ Power Klean” is a new product that has no competition.

7. Describe the Issuer’s Facilities

Humble has a fenced campus on a converted 10 acre horse farm 17 miles West of Little Rock, AR. The 2 barns have been converted to storage.

The barns are 1200 square feet and the office space is 1000 squarefeet with room for growth. The barns house the inventory for ATTI. The Paid rent of less than 1,000 dollars last year. It is rented from a Trust controlled by the Company CE0. The rent amount is the product of the price of natural gas. It is leased on a monthly basis and asset within the office space including computers, printers and filing facilities.
